BIRTHDAY CELEBRATION.

Yesterday Her Royal Highness
Princess Liliuokalani celebrated the
fiftieth or jubilee anniversary of her
birth. At 8:30 o'clock the Princess
gave a breakfast at her Palama re-
sidence, at which were present
Their Majesties the King and Queen,
Princess Kaiulani and Hon. A. S.
Cleghorn, Princess Poomaikalani
and His Excellency Governor Dom-
inis were unable to attend owing to
indisposition. The Royal Hawaiian
Band played during the breakfast.
Princess Liliuokalani was the recipi-
ent of many very handsome pre-
sents, among which were engrossed
addresses from the Liliuokalani
Educational Society, Naua Society,
Royal School Cadets, kou calabashes,
oil paintings, silverware, etc.
The Royal School cadets to the
number of seventy-five in uniform,
marched to Palama and presented
the Princess with a handsome flag
in addition to the address.
From noon to three o'clock in the
afternoon Her Royal Highness held
a reception which was largely at-
tended. The band was in attend-
ance and played appropriate selec-
tions. The Princess was attired in
a handsome robe of cream-colored
satin and received her callers in her
usual gracious manner. Heartly
were the congratulations tendered
the Princess on reaching her jubilee
birthday. Refreshments were served
during the reception.
Among those present were notic-
ed: His Excellency G. W. Mer-
rill, U. S. Minister Resident, and
Mrs. Merrill; Their Excellencies
the Minister of Interior and the At-
torney-General; Hon. C. R. Bishop,

tain Schoonmaker, U. S. S. Vandalla;

NOTES FROM "THE DEW-KISSED
CITY OF THE ROYAL LEHUA."
Sheriff Hitchcock, on Monday
last made another stir among the
illicit liquor dealers, all of them being
Portuguese. The following were
arrested: A. G. Serrao, Jose G.
Serrao, Auguste Serrao, Jardine,
store keeper for Desa, and C. Gal-
ante, all of the town; Marian Mo-
nese and Antone Charves, both of
Kahalii Gulch; and J. Luis of
Honouua. All pleading guilty they
were fined as follows: Antone and
Jose Serrao, Monese and Galante,
each \$310 and costs. The other
three \$100 each, making a total of
\$1,560, which will all be paid into
the Government within a few days.
Our Sheriff is after these liquor
dealers and is giving them no rest.
He leaves in a few days to make
another trip over his domain by way
of Kau where the Circuit Court sits
early in September. He is a thor-
ough believer in keeping an eye upon
his subordinates all over this
island.
The Hilo foreign school has open-
ed a new term under its old teach-
ers, Miss Hattie Coan and Miss El-
vira Richardson. This school is not
under Government patronage to any
great extent, but ought to be made

a Government school, especially as
now all the Government schools are
to be free to all.

The following wanderers have
been heard from, and may be ex-
pected back: Mrs. L. Severance,
who is travelling in the East, is
looked for on the Luiline in Octo-
ber; Mr. and Mrs. John Scott, who
have been summering in the Cana-
das and the Eastern States, are ex-
pected back at the same time; Mrs.
D. H. Hitchcock and Miss Alma
Hitchcock, who has just graduated
from the law department of An Ar-
bor University, and has been ad-
mitted to the bar of the Supreme
Court of Michigan, are now rusticat-
ing among the Catskills, and expect
to return on the steamer of October
19; The Rev. Mr. Baker, who has
been making a three months' study
of all the lava flows on Hawaii since
the one of 1884, will soon be back
and resume his labors as pastor for
the first foreign church. The in-
formation which he has picked up
will be of great service to the sci-
entific study of volcanic lava flows, as
he is an accurate and careful in-
vestigator.

All Hilo will welcome back the
wanderers, as our little society has
missed very much the departure of
so many from among its small num-
ber.

Our little town is gradually grow-
ing, and although its growth has not
been as great as it would have been
if Wilder had been able to have
gone on with his Hilo and Hamakua
railroad, yet our progress is steady.
Settlers of small means, are coming
into town and building their little
homes wherever they can secure a
small lot. The lower part of the
town is pretty closely built up now,
and it is time a fire department was
organized here. Our local Road
Board has done all it could, so far,
towards putting the streets into
good shape, and when the road taxes
come in, they will be enabled to do
much more. The roads throughout
the district are in better repair now,
than they have been for years, and
it is possible for one to ride from
Hilo to Laupahoehoe without get-
ting off his animal and leading him
through a ditch to get up one of the
gulches. If we can have a fair ap-
propriation for our roads through
the district for the next few years,
we will be able to drive in a car-
riage from town to Ooakaa.
