AN INTERESTING LETTER FROM A VETERAN.

AS this is Jubilee year it tends to make one look back and think of the flight of time, and in this way I am reminded that I am one of the veterans in the sale of your valuable and successful medicine.

Ever since that time I have found it by far the best remedy for Indigestion and Dyspepsia I have met with, and I have sold thousands of bottles. It has never failed in any case where there were any of the following symptoms:—Nervous or sick headache, sourness of the stomach, rising of the food after eating,

Two old gentlemen, whose names they would not like me to give you, had been martyrs to Indigestion and Dyspepsia for many years.

A remarkable case is that of a house painter named Jeffries, who lived at Penhurst, in Kent. His business obliged him to expose himself a great deal to wind and weather,

"You ought not to be out here, man, it may be the death of you, after being laid up all winter with rheumatism and dropsy."

He kept on with the Syrup, and in three weeks he was at work again, and had no return of the trouble for now nearly ten years.

The above wonderful cure of Rheumatism was the result of the remarkable power of Mother Seigel's Curative Syrup to cleanse the blood of the poisonous humors that arise from Indigestion and Dyspepsia.

Mother Seigel's Curative Syrup is for sale by all chemists and medicine vendors, and by the proprietors, A. J. White, Limited, 35, Farringdon Road, London, Eng. Jan. 13-88-2

Whale Boats.

IN answer to several enquiries concerning Whale Boat Frames, we have now in course of construction, 3 Whale Boat Frames 7 1/2 feet by 32 feet long. These frames are bent in one piece of oak, and held to shape, thus requiring little tacking to set them up and build. The full frame for such boats, including cuts, 45 sections in number, is sold at \$28; with large stems on keel, and ready to plank \$40. They are not intended to be clinker built, nor as the frail imported whale boats proper, but are intended for rough use and durability, yet light withal, for fishing and trading purposes. We have exported these frames and intend doing so, and make this offer to amateurs and others desirous of trying their hand, with plenty of leisure and small cash to make a business. Will bend frames to any given model from 5 to 25 tons. Also on hand for sale Surf and Pleasure Boats, Stems, Knees and Timbers. Mutual Telephone No 325.
