LATE FOREIGN NEWS.

[Per Barkentine S. G. Wilder.]

San Francisco, June 11.

THE HAWAIIAN QUESTION.

JOHN L. STEVENS SAYS HAWAII IS BOUND TO COME.

John L. Stevens, ex-Minister to Hawaii, is in Chicago. "On the Hawaiian Islands," said he, "is established an American colony with a solid basis of American civilization, the creation of sterling men and women who, many years ago, left their homes under the inspiration of Christian faith, supplemented by men of industry and commerce.

"In none of our American States are there more earnest and more loyal American people. They look to the flag which their fathers reared and consecrated to American liberty and good government for protection.

"They stretch out a pleading hand to this mighty nation of freemen not to abandon them in the days of their imperative need. I do not believe the administration of President Cleveland will neglect this great American opportunity, careful and cautious as it is its duty to be.

"In due time and at an early date I believe it will not fail of its great duty to the American people. It will not postpone that which cannot long be postponed without danger and without putting their loyal American friends in the Hawaiian Islands to grave anxieties and perils.

"These islands are as important to America as the islands of the Mediterranean are to Europe, and failing to accept this valuable prize, it would surely bring our statesmen to the bar of history with an indictment of blundering criminality, from which there could be no escape."

UNITED STATES.

George Metcalfe, a San Francisco capitalist, has been badly hurt by a fall from his buggy.

The British iron ship Elmbank was badly damaged at San Francisco from her cargo of sulphur taking fire. The cargo was ruined.

At the session of the American Medical Temperance Association a paper was read by Dr. Grathers of Connecticut, maintaining that drunkenness had become a distinct disease.

The Duke of Veragua and party have gone to Niagara Falls. On arriving there the Duke was presented with a solid gold plaque with a bust of Columbus and the scenes of his life in relief work upon it. The ducal party were then taken in carriages to view the sights.

Dubuque, Iowa, has been flooded with rain. Two inches and a half of water fell within three hours. Everything movable was swept away by the torrents running down the streets. Scores of houses in the flat portion of the city were inundated; sidewalks were washed away, streets torn up and sewers burst. A rough estimate places the loss in the city at $50,000. Railways leading into the city were badly damaged.

WORLD'S FAIR ITEMS.

A troop of Bedouin Arabs has been giving a performance at the Garfield Park. The Sheriff has seized the Arabian horses and trappings for debt. The Arabs declare they will appeal to the Sultan; that they and their horses were only allowed to come there on the understanding that they were to be a part of the World's Fair, and that the horses and paraphernalia were their individual property, not that of the company exporting them.

At the monthly meeting of the directors of the World's Fair, Auditor Ackerman submitted the following reports to June 1: Receipts from all sources, $20,309,546; disbursements, $19,142,992; balance of assets, $1,166,554. The total gate receipts, $832,906.

Chief Justice Fuller has entered an order suspending the temporary injunction granted by the United States Circuit Court to restrain the management of the World's Fair from opening the grounds on Sunday. He set the hearing of the cause in the United States Court of Appeals for Thursday next. Judge Bunn of Madison, Wis., and Allen of Springfield will be in attendance. Justice Fuller said it had been held the court must grant such a petition. At any rate no legal harm could come from granting it, in view of the fact that a hearing on the merits could be speedily had.

The new World's Fair special train over the New York Central and Lake Shore roads, making the distance between New York and Chicago in twenty hours, has been abandoned after two weeks' trial, the patronage not justifying the extra expense.

ANOTHER TRAIN ROBBERY.

The California express, west bound, on the Atchison, Topeka and Santa Fe, was held up near Cimarron, Kansas, and the express car robbed of $2000 early yesterday morning, by five bandits, who flagged the train and forced the fireman and engineer, at the point of revolvers, to accompany them to the express car.

Express Messenger Whittelsey refused to open the door. The robbers fired into it and wounded the messenger, who still refused to open. Then the robbers blew open the door with dynamite and rifled the car of everything of value except
