

THE KANAKA LABOR TRAFFIC.

Lecture by the Rev. W. Gray at Sydney, New South Wales.

The Rev. W. Gray, for 12 years a missionary on the island of Tanna, and more recently of Queensland, lectured in the upper hall of the Y. M. C. A. last night on the Kanaka labor traffic.

Mr. Gray said that for the first 10 years of his residence in the New Hebrides he was a silent observer of all forms of the Kanaka labor traffic, and probably his voice would never have been heard had Queensland not renewed that traffic in 1892.

Having suffered in the past, having seen the evils of the traffic in the past, he felt constrained to speak when the traffic was renewed after a cessation of six months during the latter half of 1891.

Mr. Gray then referred to Sir Henry Norman's dispatch of May, 1892, on the traffic, and also to the manifesto issued by Sir Samuel Griffith in February of that year on the same subject.

"My experience with Hood's Sarsaparilla has been very effective. My little girl, five years old, had for four years a bad skin disease.

Two Bottles of Hood's Sarsaparilla caused the eruptions to heal and the scabs peeled off, after which the skin became soft and smooth.
