H. E. Walker, Esq.
Agent "CLEVELAND BICYCLES."

DEAR SIR:—It is a pleasure to be able to add my praise to the justly renowned merits of the CLEVELAND BICYCLES. I have ridden a CLEVELAND for more than a year, and have never had occasion to find the slightest fault with its Mechanism or Stability. I heartily recommend the CLEVELAND to all persons who contemplate the purchase of a good wheel. Sincerely yours,

Patent Knee Protector.

According to a late number of the Scientific American, Thomas D. Walker of this city has been granted a patent for a knee protector which is thus described: For the use of cavalymen and others to protect the rider against rain, snow, etc., this inventor has devised a new article of manufacture to be made of leather, rubber or waterproof cloth. It comprises both a knee and thigh protector, arranged for ready connection with each other and with the trousers legs or boots or leggings. The knee protector is of somewhat triangular shape, with side flaps at the lower corners and rounded at the top to conform to and bend over the knee.

I have just opened at my store, Waring Block, what is probably the most complete line of light flannel overshirts ever offered in Honolulu. Prices range from 50 cents to \$2.00. L. D. Timmons. *

Bicyclers are likely to get cut, scraped, sprained, bruised, or some way hurt. No matter which, an application of Redding's Russia Salve will take away the smart and pain, and cure the trouble in a hurry. Thousands of wheelmen never go on the road without it. Why should you? 25 cents buys it of any druggist. Handy box for your pocket. Hollister Drug Co., Agts. *

Hood's is Good Makes Pure Blood

Scrofula Thoroughly Eradicated.

"C. I. Hood & Co., Lowell, Mass.: "It is with pleasure that I give you the details of our little May's sickness and her return to health by the use of Hood's Sarsaparilla. She was taken down with

Fever and a Bad Cough. Following this a sore came on her right side between the two lower ribs. In a short time another broke on the left side. She would take spells of sore mouth and when we had succeeded in overcoming this she would suffer with attacks of high fever and expel bloody looking corruption. Her head was affected and matter oozed from her ears. After each attack she be-

came worse and all treatment failed to give her relief until we began to use Hood's Sarsaparilla. After she had taken one-half bottle we could see that she was better. We continued until she had taken three bottles. Now she looks like

The Bloom of Health and is fat as a pig. We feel grateful, and cannot say too much in favor of Hood's Sarsaparilla." Mrs. A. M. ADAMS, Inman, Tennessee.

Hood's Pills act easily, yet promptly and efficiently, on the liver and bowels. 25c.

"A BUILDING BURNED RECENTLY in Milwaukee, without insurance, because a clerk FORGOT to renew certain policies promptly as instructed.

"A few days later, the owner died without insurance on his life, leaving a widow and three young children in poverty, because he had NEGLECTED to insure. As procrastination is more culpable than forgetfulness perhaps the owner is having his punishment NOW.

MRS. AUG. DARROW.

WELLS, RICHARDSON & Co.,
Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep night or day; to sum it all up, I WAS PERFECTLY WRETCHED. But thanks to Paine's Celery Compound I can now eat and sleep and work just as well as I could before I was taken sick. When I commenced taking the Compound I weighed 136 pounds; I now weigh 158 pounds and do all the work for my family of five. I have recommended the Compound to three families already and they are very much pleased with it. I am now taking my fifth bottle, and would RECOMMEND IT TO ALL WHO ARE SUFFERING WITH STOMACH TROUBLE OR NERVOUS TROUBLE.
Yours respectfully,
MRS. AUG. DARROW.
