Save Money!

You throw away dollars every year in broken lamp chimneys. Better stop it now while you can get a preparation that will prevent a chimney from breaking when put on wet. Prof. Humbolt's anti-explosive compound will do this and will prevent the explosion of kerosene oil and gasoline. We are sole agents for this preparation as well as for the New Ideal Sewing Machine, the equal to any high priced article, and we sell it for \$30 and \$35 with attachments. 15000 feet of mouldings for picture frames just received by the "Albert," also oval and circular frames, something new and elegant.
