

PLANS OF THE JAPANESE.

Evacuation of the Liao Tung Peninsula-Formosa Conquered.

WASHINGTON, November 13.—The purpose of Japan is to evacuate Port Arthur and the Liao Tung peninsula by February 16th next, which is three months from the date of the payment by China of the 30,000,000 taels agreed upon for the evacuation. While three months is fixed as the time within which the evacuation may be made, it is probable that the Japanese will not take the limit of time, but will set about retiring from Port Arthur immediately upon the payment of the 30,000,000 taels on next Tuesday, as the cost of the maintenance of an army is very heavy.

It is understood also that a further feature of the treaty for the surrender of Port Arthur is that its evacuation by Japan will not be followed by a cession of the fortress to any other power. An unofficial statement to this effect has been made and is credited here, but the Japanese legation has received no official advice.

Late mail advices to the Legation satisfy the officials that the rebellion in Formosa is over and that the rebel leader has surrendered. He offered to make a conditional surrender some time ago, but the Japanese would not give conditions to the rebels. Since then the officials believe he has yielded unconditionally, and the war or rebellion is at an end.

She—I wouldn't marry you if you were the only man in the world.

He—Of course not. In that case you would have to compete with all the other women.—Truth.

General Miles draws an interesting picture of the army of the future foraging the enemy's country and moving rapidly to attack and retreat on bicycles. He does not mention the bloomer girl, but it's pretty safe to say that she'll be there.—New York Mercury.

MME YALE'S HAIR TONIC

LADIES AND GENTLEMEN: It affords me great pleasure to call the attention of the public to my Yale's Hair Tonic, which is the first and only remedy known to chemistry which positively turns gray hair back to its original color without dye. I personally endorse its action and give solemn guarantee that it has been tested in every conceivable way, and has proved itself the only Hair Specific. It stops hair-falling immediately and creates a luxurious growth. Contains no injurious ingredient. It is not sticky or greasy; on the contrary, it makes the hair soft, youthful, fluffy, keeps it in curl and removes dandruff. For gentlemen and ladies with hair a little gray, streaked gray, entirely gray and with BALD HEADS, it is specially recommended.
