## Health and Strength RESTORED

BY THE USE OF  
**Ayer's Sarsaparilla**

Mrs. M. A. Cumming, of Yarraville, Victoria, Australia, Says:

"About a year ago, I had a severe attack of influenza, which left me very weak, without energy, appetite, or interest in life. Obtaining little or no relief from doctors, or from the many remedies recommended to me, I finally tried Ayer's Sarsaparilla, and from that time began to gain health and strength. I continued the treatment until fully recovered, and now have very great pleasure in telling my friends of the merits of Ayer's Sarsaparilla, and the happy results of its use. I consider it the best blood-purifier known."

## THE HALL'S NEWS BUDGET.

### NEW OFFICERS OF THE HILO CITIZENS' GUARD.

Dedication of the Kalaheo Catholic Church—Circuit Court and General Items from Hawaii.

From the last number of the Hilo Tribune, received by the steamer W. G. Hall yesterday, the following is taken:

The Bishop of Panopolis, Fathers Mathias and Bonaventura and Deacon Aloya dedicated the new Catholic church at Kalaheo on January 5th in the presence of five or six hundred people. The choir of St. Joseph's church and the Portuguese band of Hilo were present. The rite of confirmation was administered to 100 children.

The term of the Circuit Court bids fair to last two weeks longer. Following is the record of proceedings so far:

In the case of the Republic vs. Kaihe, malicious burning, the jury after an hour's retirement found him "not guilty."

In the case of the Republic vs. Nawai (w), adultery (third time), the jury after a short deliberation declared defendant guilty.

Republic of Hawaii vs. Tatsui Kondo, rape, nolle pro's'd.

Eighteen months at hard labor was the sentence of defendant in the case of Republic vs. Owen for having assaulted a woman with a dangerous weapon.

Armina Lopez secured a divorce from her husband, and the case instituted by her husband for desertion was nolle pro's'd.

The Hawaiian jury was dismissed for the present, but will be called again on Monday, when the counter cases of Baker vs. Humula Sheep Station will be heard before a mixed jury.

The case of the Republic of Hawaii vs. J. H. Kahue was nolle pro's'd. This suit was instituted in Puna at the instigation of H. E. Wilson, a school teacher.

In the divorce suits, Nawailau (k) vs. Mekala (w) and Maria Vieira vs. Luiz Vieira, decrees of divorce were granted.

A nolle pro's was entered in the case of the Republic vs. Hoomana, appeal from Hamakua, charged with larceny in the fourth degree.

Ah Ngee pleaded guilty to the charge of adultery and was sentenced to pay \$100 fine. Ah Ngee had appealed from a decision of Judge Hapai of the District Court.

Officers of the reorganized Citizens' Guard are: Captain, H C Austin; First Lieutenant, J R Wilson; Second Lieutenant, G K Wilder; Quartermaster Sergeant, W A Hardy; Sergeants—E D Baldwin, T Mutch, F M Wakefield, F C LeBlond, J A Scott and C C Kennedy.

President Dole and his staff seem to be meeting with an ovation as they come from Kailua to Kau. He was given a reception and dinner at Hookena Thursday evening, the 9th, under the auspices of the Hawaiians.

Puna District has five Senatorial electors—two voted, two were in Hilo, and one stayed at home.

The new Catholic church at the eleven-mile post on the Oiaa road was dedicated by Bishop Ropert last Sunday.

### GREAT VOLCANO ACTIVITY.

Rush of Visitors from Hilo to the Grand Sight.

A private letter from the Volcano House dated 7 a. m., Jan. 12, says:

"I have just returned from the

crater, after spending a night there: You can safely assure the public that M. dame Pele is more than active. This makes my thirtieth visit, and I assure you that I am well repaid for the trouble. The activity of the volcano is no fake.

"The Volcano Stables Co. are taxed to their limit taking Hilo people and others to the volcano."

### SUGAR ON HAWAII.

Nearly All the Mills Have Commenced Grinding.

The sugar season has set in and a very large crop of cane will be harvested.

The Hakalau mill is not yet complete, but all the vital work is expected to be done by the middle of next month, when grinding will begin. This year's cane crop will be the largest ever had in Hakalau.

Honouliuli is ready to grind and will open its sugar season next Monday. A very heavy output of sugar is expected.

Papeete began in the early part of December and grinding will be continued for about six months. The output will be unusually large.

Papaikou began the task of grinding the cane from its mammoth sugar field on Thursday of last week. The output of this triple plantation combine is expected to be heavier than any other on Hawaii this year.

Wainaku began the herculean task of grinding the cane of several thousands of acres last week. Its output will be large. They are now running out 800 bags per day. They are running full force night and day.

Waiakea also began in earnest immediately after Christmas, and scows loaded with sugar bags towed by the plantation launch, Black Horse, will again be a familiar sight to frequenters along the shore of Waiakea river.

Over 90,000 tons of sugar is the estimated output of the sugar season now being opened. Part of this will be shipped directly to the Coast, and part will be shipped to Honolulu and then reshipped to San Francisco.

Honokaa began the sugar season in Hamakua and all the other mills are either already or soon will be grinding.

The Hamakua crop will also be very large, as that district has lately been blessed with abundance of rain.

All the plantations of Hawaii, with few exceptions, are now in active operation in the grinding of cane and the manufacture of sugar.—Hilo Tribune.

On Friday evening, Jan. 10th, the following officers were installed in Pacific Rebekah Lodge No. 1, I O O F, by Clara Petrie D D G S assisted by Frances M Coon P N G, Rose Adler P N G, Chas Carter P G and D P Lawrence P G.

Although Kentucky is generally associated with whisky and the people are supposed to use bourbon as a steady drink, there are thirty counties in the State where no saloons are allowed and the use of spirituous liquors, except for medicinal purposes, is strictly forbidden. The whole South, in fact, is rapidly changing from old conditions, and the popular ideas of a few years ago concerning that section will have to be abandoned.

## THE SENATORIAL ELECTION.

### IT MAY BE CONTESTED BY H. L. HOLSTEIN.

He Asserts That Votes Were Counted in Honouliuli Precinct Which Should Have Been Thrown Out.

The official returns of the recent senatorial election on Hawaii are now at hand, and show no difference in the figures presented in the columns of the Hilo Tribune and given below. The returns are certified to by Sheriff Hitchcock and the election officers in the usual manner and are as follows:

Polls.	Holstein.	Young.	Total.
Pohokuli.....	0	2	2
Hilo.....	33	24	57
Papaikou.....	2	90	92
Honouliuli.....	3	14	17
Laysan.....	11	1	12
Kahe.....	9	5	14
Honokaa.....	15	4	19
Kukuihaele.....	4	2	6
Waimea.....	3	4	7
Kohala.....	32	9	41
Kailua.....	3	3	6
Kona.....	5	4	9
Hookena.....	4	8	12
Waiohinu.....	2	9	11
Pahala.....	1	5	6
Total.....	127	127	254

The above figures show that out of a total registration of 419 senatorial voters but 254 voted, with the result that 127 voted for Alexander Young and 127 for H. L. Holstein. This makes the election a tie and necessitates a new one. Under the law the Minister of the Interior is required to give forty-five days' notice of a new election, and this delay will deprive the Senator from Hawaii of the privilege of sitting during the early part of the coming session of the Legislature.

The votes are very unusual here and many people say such a thing never happened in Hawaii before, but they are wrong. Chief Justice Judd mentioned an instance from the Hamakua district in an election for the House of Nobles which went to the Supreme Court on a tie vote, and a new election was ordered.

A contest is more than likely to happen in the present instance, as H. L. Holstein, one of the candidates who arrived by the Like-like this morning, claims that several votes were wrongfully counted in the Honouliuli precinct for Alexander Young. Mr. Holstein claims that under a proper construction of the law by the election judges of that precinct some of the votes cast for Mr. Young should have been thrown out for obvious irregularities and that if such had been done his election would have been assured.

Under the present law any candidate directly interested or any thirty qualified voters of any election district, may file a petition with the Supreme Court within thirty days after the election to have the election declared void or the decision of any Board of Inspectors reversed or changed. Under this latter clause Mr. Holstein may ask that the action of the Honouliuli Inspectors be reviewed by the Supreme Court.

It is unfortunate that this complication has arisen so near to the sitting of the Legislature, as in the event of another election being ordered, the senator from Hawaii could not be seated until near the close of the session.

The responsibility of acting on the face of the returns and calling a new election immediately devolves upon Minister King, but in view of the position taken by Mr. Holstein he has decided to advise with the law officers of the Republic and move slowly in the matter.

Mr. Holstein, who does not know whether he is Senator from Hawaii or not, is a lawyer by profession and resides at Niuli in Kohala district.

### LAST ROLL CALL.

Comrade James F. Noble Dies in California.

By the last mail news has been received in the San Francisco papers of the death of James F. Noble, formerly a well-known resident of these islands and for some time an officer of Geo. W. De Long Post, G. A. R. He died at Fresno, Cal., on December 18, after a long illness. At the time of his death he was Post Commander of Atlanta Post, G. A. R., of Fresno.

Mr. Noble had an eventful career and lived in many lands. He was severely wounded at Gettysburg and came to California two years later. In 1869 he went to the South Sea Islands, and subsequently came to the Hawaiian Islands. He occupied several mercantile situations in Honolulu, and then took a position on a plantation on Maui. Here he married a daughter of Ferdinand L. Clarke, the well-known newspaper man who will be remembered as an immigration agent sent to the South Seas, also as a connoisseur and collector of ferns. Four years ago Mr. Noble returned to California, broken in health, and made a living as a bookkeeper at Fresno.

### Central Union Church.

At 7 o'clock this evening there will be a meeting of the Standing Committee, and at 7:30 p. m., prayer and conference meeting with sermon by the pastor on "The Teaching of Jesus as to the Worship of the Father." Tomorrow afternoon from 2 to 5 there will be a Thimble Bee of the Ladies' Benevolent Society.

### GOVERNMENT BAND.

Its Doings This Week—Want of Light in Squares.

The Hawaiian band plays the Overture off from 3 to 4 this afternoon, and at 4:30 will give a concert at the Executive building.

Tomorrow, Thursday, the band will play at Thomas square 4 p m. On Friday, the anniversary of the overthrow of the monarchy, it will play at the Executive building at 9 a m, and at Emma square at 3 p m. The band is not allowed to play at the races in the afternoon.

Saturday is to be celebrated by the Germans as the anniversary of the proclamation of William I. as Emperor, and the band will play at festivities to be held at Independence Park at 3 p m, and at a banquet at the Hawaiian Hotel in the evening.

There being no lights for the band stand at Thomas square, evening concerts cannot be given there until the want is supplied. The lights at Emma square are poor enough to inconvenience the musicians at evening concerts there.

### Wirth's Circus.

Manager Cameron says the circus company will perform at Ewa on Monday evening next, return to Honolulu that night and proceed to Lihue, Kauai, on Tuesday. On Monday evening, Jan. 27th, the show will commence a series of six performances in Honolulu, which will positively be the last given on the Islands.

"Mother," said Johnnie, after deep thought, "suppose I should knock this vase off the table and catch it. Then I wouldn't catch it?" "I suppose not," his mother slowly assented.

"But," continued Johnnie, still toying with the vase, "if I should knock it off and not catch it, then I would catch it, wouldn't I?" "Yes, you would," his mother grimly returned, this time with quick decision.—Utica Observer.
