COFFEE IN KONA.

Improvements at Kailua—Fines for Illicit Liquor Selling.

The following notes are from the Kona Echo:

Kailua is having many improvements just now. Mr. Scott is building a fine cement wall all along the road. The native church has undergone repairs. The obliging postmaster is erecting a splendid cement wall in front of the post office. A person can see no finer sight than to stand on the wharf and behold this fine wall with its gates and the lofty form of the genial postmaster bowing and smiling to his numerous friends and customers as they enter for letters and goods.

Mr. Alexander of San Francisco, who has an interest in a sugar plantation on Maui, and Mr. Dickkey of Haiku have been having a look over Kona. They remained a day or two with Mr. Cockburn, an old friend.

Coffee never looked better in Kona. Encouraged by the appearance Messrs. McDougall, Mueller, Greenwell, Leuhart and others are increasing their acreage.

The recent rains have put coffee in a fine condition. The 164 acres planted by Mr. Ain and 10 acres planted by Sheriff Nahale last February on the Bishop estate are a pleasure to look at. The plantation of the Hawaiian Coffee and Tea Co. is literally loaded with large healthy berries.

Mr. Scott has about two hundred acres which could not look better. Mr. Cockburn, who is so exact and careful, has his plantation looking like a garden. About the prettiest plantation we have ever seen is Dr. McWayne's. It is so regular, neat and well kept that you are reminded of a mansion in England or Germany with extensive grounds rather than a young plantation three or four years old.

A few more enterprising men like the doctor and Mr. Scott would make Kona the Garden of Eden instead of a forest of lantana and guava bushes. Mr. Bartels has a very choice piece of coffee, so well kept that it would pay any one to see it. Several Japanese and a few Portuguese have holdings from 5 to 10 acres in prime condition. All of these plantations that are at least 3 years old will pay *one cent* this year.

Three Chinamen at Kainaliu were brought before Judge McWayne for liquor selling. Two of them were fined \$100 and costs each, and one appealed to the Circuit Court.

BY POLICE AT CALLAO. Inquiry here confirms the story coming from Lima to the effect that the State Department has lodged a demand with the United States charge of legation at Lima for the release of the mate of the American bark "Uncle John." He was ashore on December 19 last at Callao, and was arrested because of his constant demand for "Rainier Beer." On tap or in bottles at the Criterion Saloon.

If you are interested in the subject of enlarged portraits, it would be worth your while to see the samples at King Bros. at prices ranging from \$5.00 to \$10.00 frames and all. They can't be beat.

It is impossible to smash a bicycle so badly that the Hawaiian Cycle & Manufacturing Co. cannot make it as good as new, as they understand building and repairing thoroughly in all its branches.

If you contemplate ordering a portrait enlargement we invite your attention to the superior work we offer and would ask a comparison of prices and workmanship before placing your order. King Bros., Hotel street.

AYER'S ARGUMENT.

If there is any reason why you should use any sarsaparilla, there is every reason why you should use Ayer's. When you take sarsaparilla you take it to cure disease; you want to be cured as quickly as possible and as cheaply as possible. That is why you should use Ayer's: it cures quickly and cheaply—and it cures to stay. Many people write us: "I would sooner have one bottle of Ayer's Sarsaparilla than three of any other kind." A druggist writes that "one bottle of Ayer's will give more benefit than six of any other kind." If one bottle of Ayer's will do the work of three it must have the strength of three at the cost of one. There's the point in a nutshell. It pays every way to use
