Apenta Never Fails!

The hundreds of sufferers from constipation in this country compel one to believe that nature needs assistance to overcome the torpidity of the liver, which in most cases is the sole cause of constipation.

EVERY

When a person is suffering from headache or a feeling of fatigue, the chances are ten to one that the liver is inactive. A few doses of APENTA WATER will invariably bring about a most satisfactory result.

DOSE

APENTA WATER is a true spring water obtained from a spring at Buda Pest, and has not been artificially treated. The taste is not unpleasant, the dose small and the effect positive.

EFFECTIVE

The price of APENTA WATER is very reasonable. The large bottles at 25 cents are the exact size of most mineral waters that sell at 50 cents. Trial bottles are sold at 15 cents. You should give it a trial.
