THURSDAY, JULY 5, 1900.

FOR PRESIDENT,

WM. MCKINLEY.

FOR VICE-PRESIDENT,

THEO. ROOSEVELT.

When the Democrats cheer the delegates from Hawaii to the national convention, the people will have an opportunity to note how cordially McKinley's Republican policy towards Hawaii is endorsed.

PARTY ALLEGIANCE FIRST.

Senator Hoar's statement of the unhesitating support which he will give the Republican party and its leaders in the national campaign is one of the best lessons in American party politics that can be offered at the outset of Hawaii's association in national political life.

No public man of the United States has fought with more vigor or from higher personal motives the Philippine policy of the United States than has Senator Hoar of Massachusetts.

Notwithstanding his opposition Senator Hoar remained and still continues a Republican, and as such will enter the national campaign earnestly supporting the declaration of principle outlined by the majority.

Mr. Hoar's attitude is a refutation of mugwumpism as exemplified in independent party movements epitomizing the effort of a minority to defeat the will of the people.

At a meeting of the Kamehameha Alumni Association held Tuesday night in the club house, Fort street, classes in civil government and United States constitution were organized.

Classes Organized.

At a meeting of the Kamehameha Alumni Association held Tuesday night in the club house, Fort street, classes in civil government and United States constitution were organized.

A J. C. ("Jack") Atkinson has very kindly consented to assist the boys in their study of civil government and the Constitution of the United States and his offer has been eagerly accepted.

Other classes were proposed at the meeting but no arrangements were made.

They Celebrate the Fourth.

Two enthusiastic Americans appeared in the Police Court this forenoon on the charge of firing off firecrackers in the street on the Fourth of July.

Judge Wilcox said he did not believe the cases called for any penalty and, considering the fact that it was the Fourth of July when the transgressions occurred, he would allow both defendants to go with a mild reprimand.

NOTICE.

To Our English-Speaking Friends: The Chinese merchants and residents of the Hawaiian Islands, represented by the undersigned, being desirous of providing for their sons a thorough and comprehensive education in English, raised in pledges from August to December, sufficient funds to justify them in undertaking to erect commodious buildings for this purpose in Kamakee. The contract was let and the main building partially completed, when the plague broke out and interrupted the work. As you well know, our countrymen have been the greatest sufferers from this epidemic and the fires connected with it. Consequently those who generously subscribed toward the school enterprise, being called upon to donate large sums for the relief of their fellow-countrymen who have suffered severely from the fire, find themselves unable to fulfill their pledges at present. The main building is now on the point of completion, and the contractor, himself homeless, is in great need of his money. In this emergency, and because we believe you recognize that our motives in undertaking this enterprise were philanthropic, our object a commendable one, and that we are in no wise at fault for the straits in which we now find ourselves; we therefore solicit such contributions to our present needs as your beneficence will allow. Send all cash or pledges to Wong Kwai, Box 974, Honolulu. Very respectfully yours, WONG KWAI, CHU GEM, L. AHLU. 1551Mt
