Captain F. W. Dickens recently in command of the United States battleship Indiana arrived at Honolulu on the Rio de Janeiro and departed in the same vessel Monday for Shanghai to assume command of the battleship Oregon. The Oregon lies at Woosung the port of Shanghai. Captain Dickens is quoted as saying that "the Indiana formerly commanded by him was put out of commission because the Navy had not enough men to officer and man her. Our Navy, so far as ships, ordnance and men go is admirable. But there is dearth of men and officers even now. We cannot, as it is keep all our ships at sea what will be the discrepancy when the new ships now being built or soon to be built, begin to require men and officers along with these ships we now have. The crying need of the Navy is for more men and officers, very many more." It will be remembered that Captain Dickens spent the summer of 1893 in Chicago where he was in attendance upon the Duke of Veragua and the Princess Eulalie.

Cheaper to Move than Pay Rent

is the saying, but we don't believe it. We have moved twice within a year, we had to in order to erect our new building. We have now moved from the store next to JOHN NOTTS to our new building on the **Corner of Fort and King Streets.**

At present we are occupying the upper floor and basement, as the carpenters are not through work on the main floor. We ask our friends to overlook the inconvenience and confusion that will exist for a few weeks yet. When once we are settled we will be able to take care of you and attend to your wants in first class shape.

Our **Bicycle Shop** is now running in the new store, and we have a fine line of wheels, COLUMBIAS, RAMBLERS and CLEVELANDS, and a lot of good wheels suitable for the little folks for CHRISTMAS at prices that will suit everyone.
