Manhood

In all its qualities supreme! That is what is said of "Dr. McLaughlin's Men." These are the men I have cured after they had suffered for years the tortures of Nervous Debility, Vital Exhaustion, Indigestion, Wasted Ambition, Rheumatism, Kidney and Bladder Troubles, Varicocele, and other signs of breaking down.

You see them everywhere, as a man ought to be, happy, jolly, full of vim, sand and courage. They are "Dr. McLaughlin's Men," and are always shouting the praises of

Dr. McLaughlin's Electric Belt.

Dr. McLaughlin—Dear Sir: Your Belt treatment has cured me of all my sufferings. I would not be as I was for the earth, and I wish I had seen your advertisement before. It would have saved me lots of pain and money on those quacks who did me no good. You can refer to me. Yours very truly, CHRIS TENBY, Grass Valley, Cal.

While you are sleeping it is curing you. It pours a stream of vital warmth into every organ, renewing vigor and restoring the fire of youth. It has a special suspensory for men, free. It cures the worst cases in two or three months.

FREE TEST, FREE BOOK—I want every sufferer from Sciatica, Rheumatism, Lame Back, Kidney or Bladder Troubles, General Nervous or Vital Weakness, Indigestion, etc., to test my Belt free at my office. If you can't ca.., send for my book about it, free. Inclose this ad.

BILL OUTLINING RIGHTS INTRODUCED BY CLARK

Granted Rights of Way Over Public Lands and Right of Condemnation of Private Holdings.

Following is the bill relating to the Kohala water scheme introduced by Senator Clark of Wyoming on January 31:

Be It Enacted by the Senate and House of Representatives of the United States of America in Congress Assembled:

That the Hawaii Ditch Company, Limited, a corporation duly organized under the laws of the Territory of Hawaii, its successors and assigns, be, and is hereby, granted the right of way to construct and maintain two ditches, to be known as the Upper Kohala Ditch and the Lower Kohala Ditch, said Upper Kohala Ditch to begin at or about the elevation of 4500 feet on the land known as Puukapu, and said Lower Kohala Ditch to begin at or about the elevation of 2000 feet on the land known as Mulliwai, each of said ditches running through and over the public lands in said Island of Hawaii, Territory of Hawaii, within the following described area, to wit: Bounded on the north by the sea, on the east by Waipio valley and the summit separating the Waimea watershed from the Kohala watershed, on the south by the summit of the Kohala mountains, and on the west by Poiulu gulch, said area being known as the Kohala watershed, and through, over and upon such other public lands in the districts of North and South Kohala and Hamakua as may be necessary to properly supply the consumers of water and for the conservation and utilization of waters now running waste into the sea; also the right to construct and maintain reservoirs, dams, impounding embankments, tunnels, feeders, waterways, flumes, inverted siphons, pipe lines, or such other works as may be necessary to conserve and convey the waters of the Kohala watershed along or across said public lands. Said right of way shall be to the extent of the ground occupied by such ditches or canals and reservoirs and their laterals and fifty feet on each side of the marginal limits thereof. The said Hawaii Ditch Company is also granted the right to take from the public lands adjacent to the ditches or canals and reservoirs such earth and stone or other material as may be necessary for the construction of the same.

Sec. 2. That said Hawaii Ditch Company may institute in the United States District Court for the Territory of Hawaii proceedings for the condemnation of such private land as may be necessary to cross and use in the construction and maintaining the ditches or canals and reservoirs, as herein described, whenever said company and the owners of any such lands fail to come to an agreement in respect thereto.

Sec. 3. That the work of constructing said ditches or canals and reservoirs shall be commenced within two years and completed within six years from the date of the approval of this Act; and in default of either of these conditions Congress may declare the rights herein granted null and void.

Mayor Low has earned warm congratulations for ignoring the Brooklyn machine in appointing the Board of Education. It is hard to understand how the Republican leaders of Brooklyn, while the nauseous Dady-Guden scandal still fills the air, can put their hands out in appeal for favors from the Mayor, the Governor or the President. Until Dady and every one of his kind is put out of it the Republican organization in Kings ought to stand suspended from enjoyment of any rights or privileges of the party in city, State or nation.—New York Press.
