**What Should a Good Roof Do?**

Protect from water, cold, heat, sparks and fumes—be laid with economy, and wear without expensive repair.

Unlike shingles, REX Flintkote ROOFING will not blaze up at the first spark—unlike slate, it will not yield to the gale of wind—unlike tar, it will not melt and run—unlike tin, it will not rust nor leak at the first chance.

Unlike them all—it may be laid by any ordinary workman—with a hammer—everything else needed is in the roll.

Unlike them all it is suitable for every kind of farm building.

We have it in stock, and heartily recommend this roofing to all who believe it is economy to pay a fair price for a superior article.

## Ah Sam and Willis Will Box Here On May 30th For Purse

Ah Sam and Jockey Willis yesterday signed articles for a boxing contest to take place on May 30th, at a place to be fixed later, the matters of disparity in weight and the like being easily arranged. Willis, who weighs 105 pounds, is to enter the ring at catchweights, so that he should make the best of condition, but the Chinese boy, according to agreement, must make 120 pounds ringside.

Forfeits are up and the match as well assured as is now possible.

The winner of this bout will probably be matched with some man from the Coast for Fleet week.

The boys are starting today with their training.

Eddie Tait will referee.

### KAMS ARE VICTORS

The Kams look like they are entitled to sport the laurels of victory for the first series of the interscholastic baseball schedule, as they merely continued their winning streak, and added another scalp to an already heavy belt, when they yesterday put it over the Puns, on the Kam diamond. The score was 9 to 7, and the errors of the losers tell the tale of their Waterloo. They had a good man in the box in the person of Lyman, and there is no kick coming on their battery, after Davis, who first tried his hand, was moved out of the box, but the support was not consistent, and the Kams had the better of it.

Lota pitched a good game. The men in this league are beginning to think that the Kams must have a mascot hidden somewhere, and that there will be no use trying to defeat them until they lose their marvellous "streak" of fortune.

### WALLELE VS. KEWALO

An interesting game of baseball was played Sunday morning at Atkinson Park between teams from the Wallele and Kewalo A. C. clubs, resulting in the overwhelming defeat of the Wallele club by the score of 25 to 2. The Walleles are reported to have had previous ambitious aspirations and had intended to join the newly formed Kailhi league, but they have decided now to indulge in more practice.

The winners lined up as follows: Kapua, p; A. Souza, c; M. Paresa, 1b; M. Dupont, 2b; M. Alves, ss; C. Vierra, 3b; M. Souza, rf; M. P. Rego, cf; M. Yee, cf.

### IN SEASIDE LEAGUE

Two of the Sweet Violet members played another game of the Seaside League series with other clothes than their uniforms on, and of course that meant two 25-cent fines to the league.

The Okuwas did not do well with their seven new supporters.

The finals in the invitation tournament of the Beretania Tennis Club will be played this afternoon at 4:30. The contestants will be A. J. Lowrey and W. L. Warren.

## TO GABIE JAPANESE TEAM ON THURSDAY

### League Will Meet To Act On Terms Of Trustees

A meeting of the big league will be held on Thursday, when it is practically certain that the terms of the Trustees will be accepted, and the matter of bringing over the Kelo University ball team to play here, the project to be financed by the Trustees, will be definitely decided. In fact, as it now seems, it merely remains for the formal part to be gone through, as most of the men in the league seem to be satisfied with the terms which the Trustees have made, and no hitch is expected in the proceedings.

In this case, the Kelo men will be sent a cable on Thursday afternoon, telling them that tickets will await them, and that everything is O. K. for a season of international baseball, when the men from the Hawaiian Islands, the cross-roads of the Pacific, will meet with teams from the western continent, America, and the eastern continent, Asia.

## OUTRIGGER CLUB GETS TWENTY YEAR LEASE

### Queen Emma Estate Is Secured--Will Meet Tomorrow

The Outrigger Canoe Club secured its leases from the Queen Emma Estate this morning and paid one year's rent on same. The property which is now the home of the club for twenty years, lies between the Moana and Seaside premises, having a sea frontage of about 150 feet and a depth of 400, back to the Waikiki road.

The club starts out with a membership of 200. A meeting of the officers will be held tomorrow, when the matter of securing canoes for the club, erecting a lanai on the property and purchasing a number of surfboards will be brought up, as well as the stand the club will take as to its part in the entertainment of the fleet. A vote of thanks will also be extended to Messrs. Kinney and Marx, E. M. Watson, Mr. Bruce Cartwright, Ollie Sorenson and others who have donated their services that the club may start its existence without a debt to be paid for organization or legal fees.

### SPORTIVE SPLURGES

There will be a meeting of the managers and captains of the Newspaper Baseball League on the roof garden of the Young Hotel this afternoon at 5 o'clock. Each team is requested to send its two representatives, as important business is slated for transaction.

There will be a meeting of the Japanese Baseball League this evening.

The Kapiolani Baseball League holds a meeting tomorrow.

The Kailhi Athletic Club meets this evening.

Six boxing bouts were held in Mechanics' Pavilion, San Francisco, for the entertainment of the jacks in the Fleet.

Ad Wolgast won a clean-cut decision from Frankie Neil at Milwaukee. The gong saved Neil from a knockout.

Just think of it. At the recent Lexington meeting not a jockey was fined or suspended by Judge Price and none was under suspension.

## Gwendolyn II To Race

VICTORIA, B. C., May 18.—The yacht Gwendolyn II sailed from here today for San Pedro to enter the Trans-Pacific Yacht Race from San Pedro to Honolulu.

The Gwendolyn II, which started from Victoria yesterday for San Pedro to enter the race, is a yawl-rigged boat, which was built for a cruise to Alaska, and other deep-water excursions, but was withdrawn from the Alaska project to enter in the

## New Twirler With Jewels May Be In Box Saturday

It is probable that ball fans will see a new twirler work out next Saturday in the person of St. John, who is a new addition to the Diamond Head A. C. Eddie Fernandez says, "I have a new pitcher, and from the way he is working out he should be a good one. If he keeps up to his work, he will probably be in the box Saturday."

This will be good news to most of the dyed-in-the-wool fans. No matter how good the present slabsters are, the fellows in the bleachers want a little change, and some new man to yell at and call "lobster" or "bone-head," or, maybe, "candy kid."

### ALIOLANIS WIN OUT

The Aliiolanis had things their own way in the first game of the Junior Interscholastic Baseball League, played yesterday afternoon. They took the honors from the Mills aggregation by the grand score of 19 to 6, making their runs in all innings but two, and making a bunch when they did score.

J. Woo seemed to have the proper knack in handling the stick, when it came to smothering the ball. He made a home-run and three three-baggers. If that is not going some for one game, Honolulu fans are off in their conception of the great American game. E. W. Bell umpired.

The score:  
1 2 3 4 5 6 7 8 9  
Mills ..... 1 0 0 1 0 1 0 2 1—6  
Aliiolani ..... 0 3 5 0 2 2 3 4—19

The Aliiolanis and the Kaahumanu will hook up Friday afternoon.

### CUP RACES

The regatta committee of the Hawaii Yacht Club have arranged the following dates for the principal races of the present season:  
June 13—Governor's cup.  
June 28—Beckley cup.  
July 19—Irwin cup.  
Aug. 2—Cooper cup, second class yachts.  
Aug. 16—Macfarlane cup.  
Sept. 19—Regatta Day.

### WILLIS RIDES WINNER

Jockey Willis, who has just come down from the Coast to ride in the races at Hilo, won his first race on this Island Saturday, when he piloted W. Dixon's Makaala across in front of Sonny Gay's Sunrise, at Kapiolani Park, in a quarter-mile match race, in the time of 0:25 1-2.

### AALA PARK GOSSIP

V. Ayau, the crack shortstop of the Chinese Alohas, pitched great ball for four innings with the Alohas in the game against the Palamas.

Espinda and Medeiros are the two best pitchers in the Riverside League today. Both pitched winning ball yesterday.

Supervisor J. Fern, the president of the Kaala A. C., was a happy man after the C. A. C.-Kaala game.

K. Yasumori, Edward Ayau, the baseball managers, were at the games yesterday.

Nearly five thousand people witnessed the games at Aala Park yesterday.

B. McShane has the best record for strike-outs in the Riverside League.

John Notley's Nippon team will play the Kaalas next Sunday.

Mon Yin pulled in a beautiful fly at left field.
