

"Alabastine," a Fire Proof Cement

ALABASTINE is not only the best inside coating in the world for churches, opera houses, club houses, office buildings, and dwellings, but is used everywhere for factories, cotton mills, army posts, plantation buildings, hospitals, asylums, etc., largely on account of its fire-proof properties. ALABASTINE is perfectly fire-proof in its nature, is a cement that can be mixed thick and used in filling cracks, and sets very hard over night. Is cheaper than a superior to paint.

Wall Paper vs. Alabastine

Think of having bedrooms covered with layers of moulding flour paste to feed vermin, with paper to hold them and to absorb the moisture of respiration, and an animal glue culture ground on its face for disease germs; also of repeating this papering without removing the old, and a number of times, at that, as many do. Then think of a room coated with pure, permanent ALABASTINE, which is retinted with but little trouble or expense, and is purifying and sweet-smelling. ALABASTINE cements cracks, shutting out vermin.

ALABASTINE in White and a large assortment of Tints to be had in 5-lb. packages at

EDITED BY FREDERICK B. MOORE

Scully Returning From Prospecting Trip To Coast

By the Alameda, when she arrives at this week-end, will return Jack Scully, the local boxing promoter. Jack has been to the Coast, looking for matches to hold while the Fleet is here. He has his eyes skinned for both boxers and wrestlers, and it is thought probable that he will be successful in putting some competent man on the mat with Sailor Roberts.

In this case he will have a drawing card worth while.

When he left for the Coast, Scully announced his intention of looking up the best boxers of the Fleet, with a view of having them signed to go in the ring at Independence Hall as soon as they get on the ground.

He has quite a number of the Honoluluistic talent already on his waiting card. Among them, his best acquisition is certainly Young Nelson, who fought a 10-round draw here recently with Rafferty of the U. S. S. Alabama. He also has the services of Kid Heine, Joe Cabral, Wahlan, Young Sharkey, and others who have put up game scraps in the local ring.

Fans are anxiously awaiting Jack's return in order to get details of his arrangements.

KALANIANA'OLE LEAGUE ELECT NEW OFFICERS

The Kalaniana'ole Baseball League met last evening with President A. K. Vierra in the chair. The following representatives were present: E. S. Kope, representing the C. A. C.'s; Ho Tong, Chinese Aloha; M. T. Marshall, Jr., Twilight; K. Sadayasu, Japanese A. C.; M. Gomes, Kaiala; J. K. Notley, Honolulu White Sox.

Under unfinished business the election of treasurer took place. M. T. Marshall, Jr., was elected to the office.

The Chair appointed the following officers, all of whom were approved by the League: Edwin Fernandez, umpire; W. T. Raposo, scorer; and William Prestidge, league manager.

Ed. has certainly won a reputation for his honesty of decisions and has gained great favor with the members of the league, who hold him high in their esteem.

The services of Wm. T. Raposo, the accurate scorer, who would do himself proud in the biggest league on the Coast, were gladly availed. Mr. Raposo has served the league in the past as vice president.

One of the merry fixtures of Aala Park, William Prestidge, known in baseballdom as "Oh, Bill," is the league's new acquisition as manager. Bill has on many occasions given the boys a helping hand in carrying out the program at the park and has accepted the office out of true sportsmanship and love of baseball.

The following amendment was adopted: "Should, however, a team decide not to sign two winter league players, it may substitute in their place two Riverside players, thereby allowing any team, so desiring, not more than five Riverside players."

The season will not begin until late in November on account of the postponed games of the Riverside League.

John Notley acted as secretary for the evening.

Paddy Ryan has been appointed chairman of the Committee on Boxing, Wrestling, and Tug-of-War for the Fleet.

HEALTH NOTICE

Every citizen of Honolulu should take immediate steps to free his premises from rats, the primary cause of the dreaded bubonic plague.

Use a reliable poison like Stearns' Electric Rat and Roach Paste, which can be depended upon to drive the rats out of the house to die, and clear the premises of the deadly vermin.

Nearly all druggists now have Stearns' Electric Rat and Roach Paste, and a 25c box is usually all that is needed, as it will kill off the rats in an average house in a single night. For barns, warehouses, etc., it is better to buy a dollar box which contains eight times as much as the 25c size.

Everyone should get to work at once in the fight for sanitary conditions.

LOCAL BOYS MAKE GOOD AT HARVARD

Alfred Castle Tells Of Recent Triumphs Of Cardinal

Alfred Castle, who has just returned from Harvard, where he has been rather prominent as an athlete, has interesting accounts for his friends of the career of his alma mater in athletics this year, especially in rowing and baseball.

He gives a detailed account of the recent boat races, in which Harvard carried off honors. In the varsity 8-oared race, Harvard took the lead from the start, and led at the end of the first half-mile by 1 second. At the end of the mile, Harvard led by 2 seconds, at the end of the mile and a half Harvard led by 4 seconds; at the two miles by 7 seconds, and at the two and one-half miles by 10 seconds, or a little over three lengths. Then Grijsweld, Yale's stroke, collapsed, and Yale dropped out, Harvard finishing alone.

This, over a handicap caused by the removal of one man from the varsity crew and one from the 4-oared crew about a week before the races, by the faculty, on account of poor standing in studies.

The 4-oared event, Yale won by two lengths. Paul Withington of this city rowed 3 on the varsity 4-oar crew. The Harvard freshmen won the 8-oared event by three lengths, with Lothrop Withington rowing 5. The Harvard freshmen also won the 4-oared event, and the graduates' race.

In baseball, Yale and Harvard opened hostilities at New Haven, Cambridge, June 18th, the game resulting in a win for the Cardinals by a score of 5 to 1. In the return match at New Haven, on the 23rd, with Taft as a spectator, the Elis took a brace, and goose-egged the men from Massachusetts, by a score of 3 to 0. Harvard won the deciding game at New York on the 28th, by a score of 9 to 5.

This is the 14th tie which these schools have played off, and the 11th which Harvard has won.

Wallace Cooper is the fastest man on the freshman swimming team at Harvard, and both the Withington boys are making good in this line. Paul being considered as fast as any University man in the East for the 50, 100, and 220-yard events.

Castle has himself been coaching the batteries of the varsity ball team for some time, and for this reason may not be seen in local ball until he has had a good chance to rest.

Speaking of the future, he says that Harvard has challenged Cambridge to row there in the early part of September if the challenge is accepted.

The Harvard crew defeated both Annapolis and Cornell in preliminary races this year.

BIG BASEBALL PICTURES

The largest photograph of its sort which has ever been shown in Honolulu is now on exhibition in the windows of the Bulletin office. It is a picture of a scene in a game played between Harvard and Yale at Cambridge, Mass., June 19th. The players and the immense crowd are shown to advantage, and the size of the picture enables one to form a very clear notion of the nature and spirit of the occasion. It is 70 inches in length; a unique sporting cut in Honolulu.

SPORTIVE SPLURGES

The medal, made of French gold and spagetti bronze, offered by the Kaena Point Fishing and Frivolity Club, to the member making the largest catch, and to become the property of the member winning it three times, was won July Fourth, 1908, by Lee Austin.

Boston National Club and Pittsburgh have traded Cy Youngs. There are three pitchers in the big leagues by the name of Cy Young. "Old Cy" could not be bought from the Boston American Club for his weight in gold.

The Starlights lead in the Seaside League now.

GERMAN CAR WON

DIEPPE, July 7.—The German car won the New York-to-Paris automobile racing prize. Two men were killed during the long journey.

Medals And Cup For Fleet Track Meet Are Offered

A meeting was held yesterday afternoon of the Fleet Sub-Committee on Track and Field Sports, at which some of the last necessary details were finally tied up.

The most interesting business transacted was in connection with the medals and prizes to be offered. The meet is to be a strictly amateur affair, with medals for the men who take first, second, and third, in all of the events, and with a silver cup for the individual making the most points during the day. All the medals will be in the design of the Hawaiian coat-of-arms. The medal for first place will be of gold, or gold plate, according to the money available. It will have the appropriate enamel. The medal for second place will be of silver, and the medal for the third place will be of bronze.

This meet is to be held at 1:30 o'clock on the afternoon of Saturday, the 18th, at the Boys' Field.

It was decided to ask the Executive Committee to decorate the field on the occasion of this meet. It was also decided last evening that a little more money is needed for the purpose of properly conducting the games.

The events which will be held were determined on as follows: 50-yard dash, 100-yard dash, 220-yard dash, 440-yard dash, 880-yard run, 1760-yard run, 120-yard high hurdles, 16-pound shot-put, 16-pound hammer-throw, high jump, broad jump, pole vault, sack race, and greased-pole pole climbing.

The points will be 5 for first place, 3 for second, and 1 for third, as is customary.

A committee composed of Stanley Livingston and Eddie Fernandez was appointed to select officials. Dr. E. H. Hand, E. H. Arnold, and James Thompson are a committee in charge of the programs, entries, and advertising. N. Fernandez, E. B. Blanchard, and En Sue Pong have charge of putting the track into shape, and providing free lemonade for the crowd.

Word has been received from the athletic officer of the Fleet that men from the ships will enter the track and field sports. In San Francisco, in fact, the Fleet had a good number of entries in every event.

The news that the track is to be put into condition is welcome to everyone who has been out working on it. In places it is as soft as a sand heap, and in other places it is so hard and rough that it goes hard with the feet and calves of the runners.

There was some discussion last evening of a half-mile relay, but this was not definitely decided, as it was thought the Fleet would have a hard time in picking a representative team from such a large number of men.

At the meeting of captains of the teams entered for the great tug-of-war contests to be held at the Midway, Chas. B. Wilson was chosen as referee.

The following tug-of-war teams have entered a contest which is for a large purse and for the championship of the Hawaiian Islands:

Honolulu (Hawaiian), Captain Hopkins.

Hawaii (Hawaiian), Captain Coats.

Portuguese (Portuguese), Captain Luis.

Huehue (Hawaiian), Captain Keelinul.

Poolas (Hawaiian), Captain Kahannul.

Japanese (Japanese), Captain Ono. O. R. & L. Co. (colored men), Captain Crase.

Aloha (Sailor Roberts and marines), Captain Kleame.

Each of the above eight teams will pull every other team, making seven pulls for each team.

The series of the contests starts on Saturday night, July 11th, at 7:30 p. m., when the O. R. & L. Co. team will pull against the Japanese team, and the Honolulu team will pull against the Poolas. On Monday night, July 13th, the Portuguese team will pull against the Aloha, and the Hawaii team will pull against the Huehue team.

Tug-of-war is creating great interest among the sports. The Hawaii team have been champions for several years. The other teams entered are teams of men who have been carefully chosen by their captains with the sole purpose of defeating the Hawaii team. Saturday night's pull is for blood and there will be a crowded house, as the admission is only 25 cents.
