HIGH SCHOOL ONCE MORE IS BEATEN

PUNAHOU SCORES 50 1/2 POINTS TO HIGHS' 48—RICE AND MCKENZIE DO WONDERFUL TIME OVER HUNDRED YARDS—BIG MEET NEXT SATURDAY.

On Saturday afternoon at Alexander Field, the High School once more went down in defeat—this time to Oahu College. The total points scored by both teams in the track meet were: Oahu College, 50 1/2; High School, 48. The High School, as usual, won first place in most of the events, but were unable to get enough men into the second and third positions.

A fair-sized crowd turned out at the meet, and the scholars from all the schools were present in force. The girls were enthusiastic fans, and it was not the fault of the High School bunch that their team did not win out.

The track was in good order, and although a stiff breeze caught the men as they rounded the Walkie! corner of the track, some remarkably fast times were put up. Bill Rice covered himself with glory by cutting out the hundred in 10 1/5 seconds, which is certainly going some for a schoolboy. Two yards outside evens is not to be sneezed at, anywhere, and McKenzie, who ran Rice to within a foot, is also to be congratulated on the showing he made. Rice seemed to stumble a little at the start, and thereby lost a little ground. The way he moved along once he got into his stride was beautiful to watch.

In the 220 yards run, Rice again breasted the tape first, and he covered the distance in 23 3/5 seconds. The 440 also went to this fast ped, and he threw the quarter mile behind him in 56 4/5 seconds. He won easily, and could have taken many seconds off the time had he wished to.

McCandless was, of course, the star performer in the field events, and he captured the high and broad jumps, shot-put and hammerthrow. In the high jump the winner cleared 5 feet 5 inches. McCandless also threw the twelve-pound hammer 121 feet 11 inches. In the shot-put the same boy landed the prize with a put of 42 feet 1 inch.

Then in the broad jump McCandless humped himself through the air and landed some 19 feet 7 inches away from the mark. That was too good for any of the rest, and the High School man won out.

The mile run was won by Norton, with Young and Chillingworth in the places. Time, 5 minutes 6 3/5 seconds. The half mile was won by Norton, who carved out the distance in 2:20. In the mile race Young ran well, but Norton was too good.

The 220 yards hurdles race was captured by McKenzie, who showed really good form, and besides running well took the jumps in his stride in good fashion. He covered the distance in 37 4/5 seconds, and could have improved on it a lot possibly.

The relay race was a good one, and no trouble eventuated this week. Oahu College won the event, but in the last spasm Rice was overhauling Deaha at a very fast clip, and if the distance had been a little more the champion would have won. Several timers who put their watches on Rice for the last 220 yards' relay made him do the distance in 23 seconds flat. There is no doubt that the runner did cover the ground at a wonderful pace, and it reminded those who saw the effort of the speedy manner in which he cut out the last 220 yards in the relay race at the Boys' Field. The relay race was cut out in 1 minute 41 4/5 seconds, and was a pretty event to watch.

McKenzie and Rex Hitchcock did well for the college. The former won the 220 yards hurdles, and ran into second place in the 220 and 100 yards sprints. Hitchcock got second in the high jump, broad jump, shot-put and hammer throw. Then he tied with two of his schoolmates in the pole vault, and as there was no need to continue, as McCandless did not care to go on with the

affair, the event was stopped with the college boys taking all the points.

The Kamehameha athletes acted as officials, and the following is the list of those in charge of the field: Professor Horne, referee; D. Hips, announcer; S. Hussey, scorer; J. L. Hapwood, starter. The track judges were A. Hottendorf, H. Godfrey and C. Hoesa; field judges, E. Wuchermann, W. Walaiale and John Bai.

Now that the preliminary track meets are all pau, the excitement is beginning about the real big all-school affair which is to come off on Saturday next. All the boys have been pretty well tried out now, and the result will be that on Saturday the very best men from the different institutions will go up against one another.

The meet should draw a big crowd, and it will surprise a lot of people if some of the Island records are not beaten by the young runners and jumpers.

Rice and McKenzie are sure to do a trifle better over the hundred than they did on Saturday last, and a trifle wou d mean that even time would be about touched, if not got inside of. McKenzie is a fine sprinter, and he seems to be improving. He ran Rice a very tight race on Saturday, and the champion had to do his best to land a winner by a small margin.

The trouble with the High School appears to be that they have to work the same men time after time in the different events. The other schools have more men, and it is a pity that the High have to rely so much upon the same boys, who can not be expected to go up against fresh contestants when they have hardly had a rest.

The High School won eight out of twelve events Saturday, and they showed how good the few men who compete on their behalf are. Rice, McCandless and Norton had to bear the brunt of all the events, and well did they carry the burden.

Next Saturday the races should be very fast, and Hoesa, McKenzie, Rice, Hitchcock brothers and McCandless should put some new figures on the Island record sheets.

DOTS AND DASHES.

Yesterday morning on the Makiki diamond, the Queen's Hospital bunch of ball players met and defeated the "Quarries" by a score of 8 to 7. It was a close and exciting game, and it was not till the second half of the ninth inning that victory was made certain for the Hospital boys.

Fred Silva pitched good ball for the Hospital, and he was well backed up by his catcher. The Hospital line is as follows: V. Joseph, Fred Silva, H. Benoit, Dan. Joseph, Eddie Phillip, Johnnie Perria, August Perria, Fred Eckardt and Frank Silva.

The tug-of-war will be started up on the evening of March 19 at 8 o'clock. Four teams will compete in the pulling contest, and they are the Hawaiian, Marines, Portuguese and a Colored team. A. K. Vierra is hard at work on the proposition and every thing points to some good sport.

The White baseball nine defeated the Waipahu bunch yesterday by a score of 5 to 4. The town team had a good time down at the plantation and enjoyed themselves much.

FINE NEW COURTS ARE OPENED

GOOD MATCHES WERE WELL FOUGHT OUT

"Neighborhood" Club Has Big Crowd to Watch Expert Racquet-Wielders at Work — Mrs. Coulter Wins Twice.

Quite a number of people attended at the opening of the Neighborhood Tennis Club on Saturday afternoon, and some interesting matches were played between the members and some invited guests.

Mrs. Coulter was in fine form, and she won out in both the mixed and ladies' doubles. She and W. A. Wall defeated Miss Ward and M. F. Prosser, and then in the ladies' doubles the champion had Miss Ballentyne for a partner, and the pair defeated Mrs. D. H. Murray and Miss L. Ward by a score of 6-4.

The other matches played were: Mrs. Harvey Murray and Captain Low beat Mrs. E. M. Watson and A. M. Nowell, 6-3. Then in the men's doubles A. L. Castle and W. F. Dillingham beat F. E. Steere and D. W. Anderson, 5-6. This was a good exhibition of tennis, and the set was well fought out.

Then W. G. Staglehurst and N. Deerr played H. B. Giffard and Herbert Dowsett, and the former pair won by 6-4. F. Armstrong and W. A. Wall then went up against F. H. Damon, and the latter pair lost out, 4-6.

W. A. Wall, Miss McStocker and William Thompson were in charge of the afternoon's sport, and the whole affair went off with a swing that was very pleasant. Afternoon tea was served by the ladies of the club, and a most enjoyable time was had by everyone.

The two new courts were in good condition and in a short time should be as good as any in the city. A clubhouse will be erected in the near future, and then everything will be O. K. at the new club.

Among those present who did not participate in the games were Mr. and Mrs. Robert Lewers, Henry Wichman, S. F. Stewart, a tourist from San Francisco; Mr. and Mrs. Clinton Ballentyne, Mrs. W. A. Wall, Dr. and Mrs. Murray, Mrs. William Thompson, Mrs. F. Richardson, Mrs. A. M. Nowell, Dr. Hodgins, Mr. and Mrs. L. Tenney Peck and William Williamson.

GUARDS DEFEAT FIFTH CAVALRY—SCORE, 7-3

Barry's Beauts Take Measure of Fighting Fifth at Leliehua—Visitors Are Well Entertained.

Out at Leliehua yesterday the N. G. H. team did things to the Fighting Fifth bunch of ball tossers, and when the final tally was made it was found that Barry's Beauts had defeated the Schofield Barrack boys by a score of 7 to 3.

And great was the delight of Sergeant Barry when the game ended; the joy over the win is somewhat tempered by the fact that Sgt. Williams is not in town to share it. However, Barry and his playmates had a fine time, and made good in their much repeated boast that the Guards could defeat the Cavalry.

The official score was as follows: N. G. H. 1 2 3 4 5 6 7 8 9 Runs 1 0 0 0 3 1 0 2 — 7 B. H. 1 0 1 1 1 3 1 1 — 10 CAVALRY. 1 2 3 4 5 6 7 8 9 Runs 1 0 0 1 0 0 0 1 — 3 B. H. 1 0 1 3 0 0 0 0 — 7

Two-base hits, Williams, Davis, Robinson; bases on balls, off Bell 3, off Williams 4; struck out, by Bell 2, by Williams 1; passed balls, Shepard 2; Soares; sacrifice hits, Bushnell, Chillingworth, Dennis; sacrifice fly, Lem-on; double play, Williams to Butler to Soares. Time of game, 1 hour 31 minutes. Umpire, L. Sinn.

J. W. HARVEY WINS OUT IN SHOOT

CHAMPION KILLS FORTY. ONE OUT OF FIFTY

Fine Shooting Is Done Over New Leggett Trap—Big Crowd Visits Kakaako — Harvey Hits Ten Straight.

By killing 41 out of 50 "birds" at the Kakaako traps yesterday afternoon, J. W. Harvey won the Selby trophy, which is a gold watch; also he took a gold medal and a couple of other prizes. The semiannual shoot of 50 birds was shot over the Leggett trap, and that machine certainly did good work and the way it threw the clays out at unknown angles was a treat to see.

H. D. Bowen ran second in the shoot, and he accounted for 38 birds out of 50—his handicap was 7, and he shot well considering everything. The third prize went to Irwin Spalding who "grassed" 35 of the blue rocks. Harvey killed ten straight in the ten-bird scratch event, and this record gives him the E. O. Hall cup. He had won the cup twice before so it now becomes his absolute property.

Another ten-bird shoot went to Irwin Spalding who, shooting at unknown angles, hit ten straight in first class fashion. The twenty-bird contest was won by W. M. Vincent, who, with a handicap of 19, landed 20 out of 30 birds. H. D. Bowen, who had a handicap of 8 birds, ran second in this shoot, his total being 19 out of 23. L. C. King got third place with a score of 17 out of 23; his handicap was 3 and he shot well.

The fifth shoot was also a ten-bird affair, and it went to Spalding, who with Bowen, hit six out of the ten birds released. In the shoot-off Spalding won, and took as a prize a shooting Jersey. Harvey hit five out of ten and gets a prize for his work.

The 22 caliber Marlin rifle went to Bowen, who made 22 hits out of 23 with a handicap of 8. N. Bobo and J. Tavas tied for second place the former scoring 21 out of 30; his handicap was 10 while Tavas with a handicap of 7, hit 21 out of 27. The shoot-off was won by Tavas, who killed 10 to his opponent's 7.

The final event was a special ten-bird event which was shot at unknown angles. Spalding, Tavas and King tied, each getting 9 out of 10. Spalding won out in the shoot-off.

RECREATIONS AT THE NOVELTY.

Talk about sensations! Anyone not knowing the full meaning of the word should go to The Novelty and see the intimitable "Princess Omene," the East Indian dancer. Be sure to go early or you cannot get in for love nor money. She has packed the house for two weeks steady, doing three dances each evening. Her dance has never been equaled. The artistic manner in which she handles the castanets is an art in itself and makes her dance one of the most entrancing ever witnessed. She is a black-eyed beauty with black curly hair, that the bald-headed row raves about, and we don't wonder. Miss Beattie Gairard in her pleasing songs and dances and Miss Jane Wall are both becoming favorites. The new moving pictures will conclude one of the best bills in town.

WALKER AND STURM. These two clever jugglers, who have so well amused patrons of the Park Theater the last three nights, will tonight introduce some new and novel comedy juggling. The Malotte sisters will render one of the late songs of the day, and Vierra's orchestra will have selections from some of the late musical successes.

The featured film will be "Expert Glass Blowing" one of those educational films that make the motion picture show the great educator of the masses. "Wonderful Remedies" is one of Pathe's trick comedies, for which this house is no noted. It will supply a base for a good laugh.

All in all, the program at the Park Theater this week can not be excelled, and is the biggest show ever given for the money in this or any town.
