MUSICAL NOVELTY ACT FOR
THOSE WHO SEE THE CIRCUSMons. Valle and Signorina Julia Napoff, who will be assisted by the lyric
soprano, Mlle. Andriana, in an unusual act at the circus. Mons. Valle
is an expert acrobat and Signorina Napoff is a contralto and
dancer.GILLETTE PLAY
FOR ORPHEUM"All the Comforts of Home" will
be presented tonight at the New Or-
pheum by the George B. Howard com-
pany. This is William Gillette's famous
comedy and like "Charley's Aunt,"
will outlive many of the present day
farces. "All the Comforts of Home"
will also be offered Saturday after-
noon at the usual special matinee at
which ladies and children will be es-
pecially cared for.George B. Howard will present next
week "The Power of Gold," one of
the strongest and most powerful plays
produced in years. Even the powerful
play "Paid in Full," or "The Witching
Hour," can not compare with the
story of "The Power of Gold." It
was played in New York a year ago
by William Gillette, and is now being
played by James K. Hackett. The
Bible story of Samson is brought
down to date. Maurice Brachard, a
copper king, has the power of Samson
in the copper market, and to crush
his enemies and a man who had
wronged him beyond reparation, he
smothers them with his great strength
by reducing the price of African cop-
per so low that all go down together
in the ruin.
The play has splendid dramatic
qualities, the climax in the third act
affording every opportunity for strong
acting.BIJOU PERFORMERS
READY FOR OPENINGThe American Musical Comedy
Company and the six vaudeville ar-
tists that have been imported by the
management of the new Bijou the-
atre, went through their preliminary
stunts yesterday in preparation for
the grand opening next Saturday
night, the event of which will be long
in the memories of amusement seek-
ers of Honolulu.With costumes, song and scenery,
spick and span and new at that, theKIPLING AND HUGHES
Of American Musical Comedy Co.
new company is expected to present a
performance of unusual merit.All the musical comedy artists as
well as the vaudeville stars are the
choice of the best people in their line
in the States and it is only necessary
for them to emulate their mainland
successes to get along here.The "Speculators," which will be
the opening number, is one of the
funniest farces ever written and has
for years been one of Kolb and Dill's
happiest mediums. This story winds
around the adventures of two Ger-
mans of the "get-rich-quick" kind and
their manipulations and indulgences
render the plot ridiculously funny.
Dunn and Branson are comediansof the kind that are sure to please,
while Gladys Middleton and Walter
Perry have acts that are bound to
make good here. Ed Mongrief, James
Rowe, Vernet Hughes and Richard
Kipling are the leading members of
the musical comedy company. A full
orchestra, under the direction of W.
F. Hughes and a series of new motion
pictures, complete what is regarded
one of the best shows of its kind that
ever invaded Honolulu.The new Bijou, which has a seating
capacity of 1500 and one of the large-
est theaters in this city, will have its
formal opening under the most favor-
able auspices.SAVOY'S NEW BILL
PRESENTS COMEDY TEAMFour of the Coast's eleven com-
edians will open an engagement at
the Savoy on Saturday night, replac-
ing the Wilson Sisters, the Oldfields,
Foster and Countess Irma de Pomme,
who will fill a brief engagement at
Hilo. The Malua-Magratia Comedy
Company will put on the comedy
sketch entitled "An Uptown Fair,"
which is a clean comedy, full of
laughable situations and smacking of
farce, but clean-cut comedy through-
out. There are four people in the
company, including Jim Magratia,
blackface comedian; Will Maina,
whose satirical presentations will
give him instant fame, while Nollie
Howard and Dot Raymond, two dainty
bits of femininity, will supply com-
edy, rich and laugh-provoking.Dot Raymond, whose acts are about
the biggest creations showing in Ho-
nolulu just now, is tiny, cute and she
does a song and dance specialty in ad-
dition to appearing in the sketch. The
Malua and Magratia pair look the part
of vaudeville entertainers. They have
had a fine season in San Francisco,
playing for forty-two weeks contin-
uously at the California theater. They
put on a long repertoire of sketches,
not one being put on a second time.The Savoy is playing to big houses
and the initial appearance of the new
company will show that the manage-
ment is receiving the talent that will
make the Savoy the popular home of
clean comedy.

GO TO THE PARK TONIGHT.

The engagement of the great bal-
ancers, Wills and Hassan, will end at
the Park this week, and they then
proceed direct to New York, via Vic-
toria, to begin a long engagement on
the eastern coast. Their act has cre-
ated a furore here, and the profes-
sionals who have seen them pronounce
them without peers in their act. It is
practically original with them, and
they have made a success of it
throughout the world. Lochrane con-
tinues to amuse the audiences at the
Park with his Scotch songs and dia-
lect recitations. He will remain only
a short time longer at this theater
before going to the mainland. Some
very fine motion pictures were re-
ceived by the management of this the-
ater by the Wilhelmina.

THE NOVELTY.

Those who have not been to the
Novelty to hear the Musical Millers
should go before they close their en-
gagement, for they are a treat to all
who love good music on novel instru-
ments and well played. Wise and Mil-
ton are to present their masterpiece,
"A Study in Redskins," with original
and appropriate costumes, calcium
effects, etc., tonight. This is a stunt
by one of the best teams that has vis-
ited Honolulu in a long time. Wise
and Milton never grow stale, and to
see them once in this particular
sketch is not sufficient. George
Stanley will introduce the latest song-
land success, "The Jungle Band." The
motion pictures are up to the limit of
excellence, and the show as a whole
is a good one.

Appreciation

TO THE PUBLIC—We wish at this time to express our appreciation to
the Island public for the confidence reposed in us, as manifested by the
large number of purchases of the motor cars we deal in. Altogether in the
past we have handled some ten different makes of cars; we now handle
only three.

There is a reason for this.

To handle any new make that was produced seemed to us too much like
"trying it on the dog"—with the public as the Dog.Our policy was to study the situation carefully, gauge local conditions
and then consult the best automobile authorities in America—with the
result that we represent todayThe Pierce Arrow
Chalmers
Hudson

(All Licensed Under Selden Patent)

These three great makes represent a combination of best practice in
automobile construction, with the widest choice of body types and prices.
The manufacturers of these three great makes are the leaders in the in-
dustry.By handling only these three great makes we can do justice both to the
public and the manufacturers.There are from five to eight thousand different parts in an automobile
—multiply this by ten, and the number is enormous. Few dealers if any
could keep even the necessary parts of ten makes to provide against inevi-
table accident, but with three it is different.

We wish our name to be synonymous with the

GOOD AUTO SUNDRIES AND GOOD SERVICE.

Faithfully yours,
