The remodelled judiciary building probably will be ready for occupancy by fall. This is the opinion of Martin Campbell, Superintendent of Public Works, who said today that the steel framework is in place now and that the remainder of the reconstruction will move rapidly.

The application of Lee Ong, asking the appointment of administrator for the estate of the late Leo Chong, was filed in Circuit Court this morning. He states that Lee Chong died March 28, leaving an estate estimated at \$9,000, to be divided between the wife and eight children, residing at Puhala, Hawaii.

**Too Sick to Work—Doctor
Advised Operation. Re-
stored to Health by
Lydia E. Pinkham's
Compound.**

Poughkeepsie, N. Y.—"I run a sewing machine in a large factory and got all run down. I had to give up work for I could not stand the pains in my back. The doctor said I needed an operation for female trouble but Lydia E. Pinkham's Vegetable Compound helped me more than the doctors did. I hope that every one who is suffering will get the Compound. My pains, nervousness and backache are gone and I have gained five pounds. I owe my thanks to your medicine for it is the working girls friend, and all women who suffer should write to you for special advice."—Miss TILLIE PLENZIG, 3 Jay St., Poughkeepsie, N. Y.

When a remedy has lived for over thirty years, steadily growing in popularity and influence, and thousands upon thousands of women declare they owe their very lives to it, is it not reasonable to believe that it is an article of great merit?

We challenge anyone to show any other one remedy for a special class of disease which has attained such an enormous demand and maintained it for so many years as has Lydia E. Pinkham's Vegetable Compound.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
