ivory, sliver and steel, and which we

will sell lower than you can buy any of

that class of goods elsewhere. It you want to make yourself or some one eise a present, you would do well to drop in and take a look, as it is impossible to enumerate everything. Remember that we have everything. We have ladies' solid silver watches, with good movements, which we warrant, for \$8. Come early and avoid being crowded.

SPECTACLES.

We keep spectacles at from 25 cents in steel to \$8 in gold. We can suit any eye. If you fail to find specs to suit you else-

where, come to us and we will make you contented, as we never fail in fitting

J. E. JORDAN. both key and stem winders. The new bridge movement of the Elgin make, in 16 size, is simply beautiful and is adapted for gentlemen who prefer the artistic to the solid. To gentlemen employed on railroads and who have to keep accurate time, we will say, just take the Rockford quick train railroad watch and you will have something upon which you can rely in any climate and altitude. These watches are all war-ranted by the Rockford company, who replace any piece tree of charge, in case of accidents. As this very popular watch is now in great demand, we carry a large stock of them and can suit in price, as we sell them at bottom figures

J. E. JORDAN. see us and our low prices will be our best advertisement. We can knock the then come to us and compare. We will have one price for everybody and will treat all alike. We take pleasure in

J. E. JORDAN. and defy any other house to compete with us in this class of goods. In Gold and Silver Cases we have them in every style of engrav-ing, make, size and weight. For young ies attending school or teaching, and who care more for time than style, we can supply neat gold watches for from \$15 to \$20. Call and see them. CASE GOODS!

Of this class you can find a nice selec-tion in our house, both in solid silver and triple plated, in fine morocco cases lined with satin in different colors. We have cases with spoons, forks, knives, sugar shells, butter knives, carvers in

J. E. JORDAN. spees, this being a part of our profession which you cannot expect of a grocer of hardware man, who merely sell, without the slightest idea that you will go pre-

maturely blind on account of the lenses not fitting your eye, the results being worse than a No. 7 boot on a No. 10 foot. We sell better specs for less money than

New York, December 8.

Money-Fairly easy, ranging from 0 to 3 creent per annum, closing at 4.

Prime Mercantille Paper 53562635 per cent other houses, and fit your eye.

In conclusion we will say, as it costs you nothing to come and look at our goods and get our prices, and as we take pleasure in showing our goods, so before investing your money in something that you will be sick of in a few days after buying, come and see us and see what we can do for you.
