ing service.

Every day adds to the list of deaths attributed to heart failure. If the truth were told the bulk of these If the truth were told the bulk of these deaths might be written down as due to stomach failure. For it is in the failure of the stomach and other organs of digestion and nutrition, that "weak" heart, "weak" lungs, "weak" nerves and other forms of physicial deterioration having their beginning. The man whose stomach is sound, who can digest and assimilate the food he eats, and so keep each organ of the body well nourished, is the man who is least liable to collapse under the sudden weakness of some inder the sudden weakness of vital organ.

vital organ.

The preservation of health which follows the use of Dr. Pierce's Golden Medical Discovery, is chiefly due to the fact that it perfectly and permanently cures diseases of the stomach and organs of digestion and nutrition, purifies the blood and increases the blood supply of the body. Weak people will find in this medicine a sure means of strength.

"I was under doctors' care for quite a time," writes Mr. J. P. Kidd, of Parmleysville, Wayue Co. Ky. "They had almost given me up, and my suffering was very great. My pulse was weak, breath short and I had severe pains in back, head and legs. Had palpitation of heart, and for eleven months I was not able to do a day's work. I purchased five bottles of Dr. R. V. Pierce's Golden Medical Discovery and by the time the fifth bottle was gone I was a well man." Dr. Pierce's Pellets regulate the liver.

WILL OF MR. RICKER.

Generous Bequests to Public Charitable and Educational Institutions.
