

AN OLD-TIME NURSE CURED

Of Catarrh of the Stomach by Peruna
MRS. SELENA TANNER,
Athens, Ohio.

This Cure Dates From October 3, 1899.

Oct. 3, 1899. "Catarrh of the stomach. Was nearly starved. After taking Peruna I have a good appetite."
Sept. 11, 1904. "I can assure you that I am still a friend of Peruna. My health is still good."
April 23, 1906. "Yes, I am still a friend of Peruna. Will be as long as I live. I keep it in the house all the time."
Dec. 18, 1907. "I recommend Peruna so often that they call me the Peruna doctor. Peruna recommends itself when once tried."
Dec. 27, 1908. "I still tell everybody I can that Peruna is the best medicine in the world."
Aug. 15, 1909. "Peruna saved my life years ago. I still take it when I have a cold."
Jan. 4, 1910. "I was threatened with pneumonia. Peruna saved me."
May 17, 1912. "I am glad to do anything I can for Peruna."
May 6, 1914. "I have always been a nurse. Peruna has helped me in my work more than all other medicines."
Mar. 22, 1915. "I have divided my bottle of Peruna with people many times. It always helps."

The above quotations give a vague glimpse of the correspondence we have had with Mrs. Tanner since 1899. Our files, which cover twenty-five years, include many similar correspondents.

HELP YOUR COWS NOW

NOW IS THE TIME TO CONDITION YOUR COWS
TO GET MORE AND BETTER MILK ALL WINTER

The amount of food cows eat is not as important as the amount di-
gested and thus made into milk. Good health, natural bowel movements,
and a toning up of the system and milk producing organs are necessary to
get a steady and increased flow of milk.

Cal-Sino APERIENT (Cow Powder)

Given on the food for 4 times a week puts and keeps the digestive organs in energetic work-
ing order. It dissolves and carries off stagnant, clogged waste matter from the bowels,
and regulates nutrition so that the food consumed is digested and converted into body-building
and milk-producing elements which mean More Milk, More Meat and Money.

Because it is concentrated medicine, not a stock food, it is given in small yet effective
doses, namely, 2 tablespoons 2 or 3 times a week. A course of CAL-SINO APERIENT
KEEPS COWS POWDER costs less and always does the work. Try it!

Cows in 2 lb. cans, 50c; 12 lb. pails, \$2.00 and 25 lb. pails, \$4.00.

For Lump Jaw, use Resorbine, \$2.00 for Chapped Teats use Glycerine 25c & 50c.
