

Who Shall be Your Valentine?

Valentines are intended to express to some one the fact that some one else has affection or regard for them. Such little tokens cannot be sent too often in this too practical an age.

The better grades of valentines these days are real works of art and provide a souvenir of permanent value.

We have the latest and most beautiful designs at all sorts of prices.

Choose your valentines early this year and escape the final rush. Our whole stock is on display now.

Misfortunes seldom come singly. L. Paule of Minneapolis, who is known to many Princeton people, lost his show-case factory by fire last week and upon the same day the funeral of his mother occurred. The loss upon the factory is estimated at \$25,000, covered by insurance. Mr. Paule will resume business within a week or two.

To substantiate our contention that the advertisements in the Union are extensively read, we last week purposely transposed two cuts. The result was that our attention has been called to this transposition by hundreds of people. Every day throughout the week we have been asked why we did it. The test has proved satisfactory beyond expectation. It has proved that the Union is read even to its standing advertisements.
