

How Delicious It Is

The syrup is the vital thing in soda. Whether it imparts or impairs goodness depends on how and from what it is made.

Our Chocolate Soda

is made from the best grade of ground chocolate. It is carefully prepared according to an approved process and is as smooth, rich and finely flavored as any you ever tasted. Try it today in a glass of our cold, sparkling soda. It is delicious. Lots of other choice flavors also served.

Mrs. Aaron Benson of Minneapolis and Mrs. A. T. Conway of St. Paul spent the past week with their sister, Mrs. Andrew Johnson, and their mother at Spencer Brook.

Talk about your spry old men: Mr. Mike Scanlan, who is over eighty-four years of age, walked every foot of the way from his home in Wyannett to Princeton, a distance of nine miles, one day last week.

I can do you a first-class job in alabaster or kalsomine work. My prices for paperhanging will compare with others for reasonableness. An estimate on your work will convince you of same. Dan C. Mirick. 23-tf

Monday evening, June 7, is the date upon which the high school commencement exercises will be held in the opera house. On the preceding evening Rev. J. W. Heard will deliver the baccalaureate sermon at the Methodist church.

Dr. Cooney will leave on Saturday for Atlantic City to attend the American Medical association's convention and will be absent from Princeton a month. During that time he will attend surgical and medical clinics in the eastern hospitals.

Mr. and Mrs. F. R. Burrell came down from Mille Laes lake with H. F. Mann in his automobile on Saturday. On Sunday they made a trip to Minneapolis, returning to Princeton on Monday. Mrs. Burrell, with her child, remained here for a visit with her parents, Mr. and Mrs. Elmer Whitney, while Messrs. Burrell and Mann returned to Onamia.

A story is being told about town that Bert Zimmermann lost control of his machine on Thursday evening and that it plunged into the brook near the old Chadbourne farm. Besides Mr. Moe, Bert had two lady passengers with him, and this made the situation more embarrassing to the bashful young man. By hard work the young people eventually succeeded in getting the machine out of the brook, but it was considerably damaged from the plunge.

The sad news reaches us that Miss Mildred Rutherford, daughter of Mr. and Mrs. M. S. Rutherford, has been deprived of her sight—that she has become totally blind. Mildred is in Minneapolis, where for a short time she has received treatment for defective eyesight at the hands of specialists. Her grandfather, Henry Newbert, told the Union yesterday that the doctors have hopes, however, of eventually restoring her sight. Mildred is one of the best-hearted girls that ever lived and she has hosts of friends who pray that she may recover from her affliction.

For sale. Hardwood lumber for sale. Prices lower than the lowest.

Lost, a brown handbag containing a \$5 bill and \$1.39 in Roadstrom's coupon chips. Return to Union office for reward.

It is reported that the regular train service will be inaugurated upon the Soo branch to Duluth about July 1. It will probably be nearer September 1 before things will be running smoothly.

Before you start for Princeton to have your picture taken be sure it is the first or third Saturday of the month, as these are the only days you will find Nelson, the famous photographer from Anoka, at his studio in Princeton. 2-tf

Lost, on Saturday evening, May 29, between Fred Newton's and E. E. Whitney's residences, a pocketbook containing \$3 in silver, some small change and receipts. Finder please return to Louis Lessard at the depot for reward.

G. I. Nickerson, Great Northern depot agent at Bengal, is here on a visit to his mother-in-law, Mrs. Wedgewood. Mr. Nickerson, who had not been in Princeton for seven years, says he notes a vast improvement in the village.

What's the matter with Princeton people that they do not patronize high-grade home entertainments more liberally? Company G boys deserved a full house last night. But the attendance was not twenty per cent of what it should have been.

Fred Goulding arrived home from the northern wilds on Friday and has again departed for his claim near Cass Lake. Fred, who is in tip-top condition, says that he has grown to love the wild and fuzzy life in the sparsely inhabited sections of Minnesota.

Rev. W. H. Koenig attended the commencement exercises at St. Paul's German-English college, St. Paul Park, this week. Rev. Koenig is one of the trustees of this institution and has a son attending there. Mr. Kettelhodt's son is also a student at the college and Wesley Gerth and Otto Radeke graduated there this week in the commercial course.

George Deans was down from Foreston from Friday of last week to Tuesday of this, and during that time spent three days fishing with Herb Gates at Stanchfield lake. George says that he was soaked to the skin upon each and every one of these days, but he failed to state whether the soaking was the result of rain or immersion. Be this as it may George secured a fine lot of choice fish.

Pianos, Pianos, Pianos. We can undersell all other concerns. High grade Schulz, Walworth and Werner pianos and Schulz organs. Prescott building. A. W. Martin, agent.
