The meadows are very dry and hunters and others should be careful not to drop lighted matches or start fires.

A very fine new school house has been built in the Camp district and it is a great improvement over the old building.

Matt Johnson filled his silo last week. He used the new silo filler he purchased this spring. He is now at work filling a silo for Mrs. Dugan in Baldwin.

### OUR CITIZEN'S DEMAND

Fully Complied With—A Princeton Resident Furnishes It.

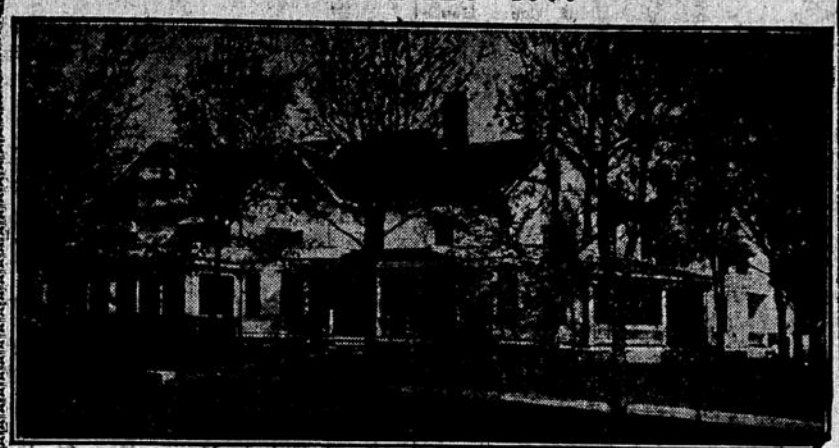

There are few items which appear in this paper more important to Princeton people than the statement published below. In the first place, it is from a citizen of Princeton and can be thoroughly relied upon. In the second place, it indisputably proves that Doan's Kidney Pills do their work thoroughly and not temporarily. Read this carefully:

Henry Busch, carpenter, Princeton, says: "I was farming in Iowa a number of years ago and I suppose it was the work and exposure that got my kidneys out of order. My back became very weak and when I bent over, I could hardly straighten up, because my back fairly twitched with pain. The secretions were scanty sometimes and then again profuse. I became run down in every way. I tired easily and didn't seem to have much strength. Doan's Kidney Pills helped me quickly and two boxes gave me a lasting cure. I have been free from kidney complaint for a number of years."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Busch had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. Adv.
