All persons are requested to try it, for without exception, it is one of the most valuable medicines ever yet discovered. Hundreds nay thousands, of certificates have been received from Physicians, Clergymen, and families of the first respectability, bearing the strongest testimony in its favor, too numerous From the Rev. Dr. Babcock, late President of

Dr. D. Jayne, a regular student of the Medical University of Pennsylvania, and an experienced, successful practitioner of medicine, I was prepared to appreciate the numerous testimonials in favor of his different medical preparations, much more highly then the great majority of those which are extensively eulogised. On trial of them in my own family, and some of them personally, I have more than realized their favorable anticipations. They are what they profess to be—not quack nostrums—but skilfully prepared antidotes for some of the most afflictive of human disease. I know that they are highly esteemed, and I know that they are highly esteemed, and frequently prescribed, by some of the most addition to our materia medica, and a safe, as well as eminently useful remedy for the diseased." ATTENTION! BALD HEADS. Of all the remedies ever devised for the reservation and restoration of the Hair, none has been found equal to Jaynes Hair Tonic, Indeed, it has proved itself to be infalible in preventing the hair from falling off and will, positively by a faithful application, in nineteen cases out of every twenty, bring out a new and beautiful head of hair. There is therefore, ROW, NO EXCUSE FOR A BALD HEAD.

HAIR TONIC.—We call the attention of those afflicted with premature baldness, to the excellent "Hair Tonic" prepared by Dr layne of this city. Having used it ourselves, we can speak of its virtues by experience, and we can speak of its virtues by experience, and we unhesitatingly pronounce it an invaluable windly to prevent the falling off of the hair, and to restore it from a dead, to a fine, healthy appearance. We can also speak from personal knowledge of the cases of two or three virends who were predisposed to baldness, who say the use of Jayne's Hair Tonic, have now luxuriant hair. We have no disposition to puil, indiscriminately all kinds of remedies, for all diseases which flesh is heir to, but when we have tested the virtue of an article. when we have tested the virtue of an article

when we have tested the virtue of a we are free to say it is good.
