## Great Wash Goods Sacrifice

It's time to talk of reducing stocks. We never carry goods over from one season to another, but start each season with a fresh, new stock.

In keeping with this policy we have inaugurated the greatest clearing-out sale of Wash Goods the town has ever known. And it's not a sale of undesirable, passe patterns, but an offering of the season's choicest productions—the most wanted styles—at unheard-of low prices.

And the more they are worn the more it is demonstrated that such is the fact. If everybody will try a pair of "C K S" or "RE Z" shoes, they will be convinced that they are the cheapest and best \$3.50 value they ever wore, and will try it again.
