POLITICAL POINTERS.

Roosevelt and Dunn are the leaders all delight to follow.

If you claim to be a Republican be one and work and vote for Dunn and Roosevelt.

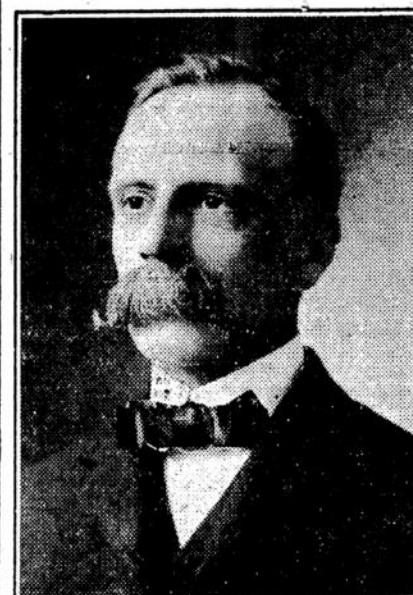

All good Republicans are going to vote for R. C. Dunn for governor of Minnesota.

What can be gained for Republicans by voting for Democrats? Democrats only take care of their own. Put Republicans in office and they can help you.

The women of St. Paul will have an opportunity to vote at the next city election on the proposition to furnish free text books for the school children. The proposition is passed now.

Mr. Markham who is a candidate for Judge of the District Court, needs no introduction to the voters of St. Paul, as he has been active in public affairs for many years. He was City Attorney from 1897 to 1903, and has since been active as a member of the Chamber of Commerce, of which he is now president. Mr. Markham as a public official has served alike, all classes of people, and the Republican party has shown its appreciation of his services by choosing him as a candidate for the District bench of Ramsey County. He doubtless will be elected. Vote for him.

Oscar Hallam, Republican candidate for District Judge of Ramsey County is one of the most popular young attorneys of St. Paul as was shown by his run in the primaries. He has been a prominent member of the Ramsey county bar for many years. He has been an active Republican worker in every campaign. He was prominently mentioned for attorney general during the recent state campaign, but refused to make the run. Mr. Hallam, by reason of his wide acquaintance, personal popularity and high standing as a lawyer, will make a formidable candidate for the bench. Vote for him.

EDWARD G. KRAHMER,
Republican Candidate for County Auditor.

Eighth Ward, Attention.

In accordance with resolutions passed at a recent meeting a call is hereby issued to the Republicans of the Eighth ward for a meeting to be held at McKinley Hall, corner Western and University avenues, Monday evening, Oct. 24, at 8 o'clock, to consider the advisability of organizing a permanent Eighth Ward Afro-American Republican club. All Republicans are urged to be present.

Harry E. Howard,
Temporary Chairman.
W. L. Green,
Temporary Secretary.

EDWARD G. KRAHMER.

Republican Candidate for County Auditor.

During his first term Edward G. Krahmer has made a notable record as county auditor. The distinguishing features thereof have been a perfected system, an orderly administration and a marked efficiency in all departments. His acts have squared with his promises and justly entitle him to the respect and support of the voters of the Eighth ward at a re-election. The best guarantee of the future are the performance of the past; and, judged by this standard, Mr. Krahmer requires no further commendation. He has instituted a thorough revision of the business and methods of his office, and has inaugurated certain reforms which the public interests require shall be continued uninterruptedly to a successful conclusion. In the truest sense of the term he has been a conscientious, obliging and efficient public servant, and the flattering support which was accorded him in so general a way at the recent primaries will, no doubt, be extended to him in still fuller measure at the general election on next November 8th. Vote for him.

JESSE FOOT.

Republican Candidate for County Treasurer.

The Republican candidate for county treasurer looks like a winner from start to finish. In the primary election contest he carried every precinct in every ward in the city of St. Paul, with one exception, and every election district in the county outside of St. Paul by a vote of three to one, receiving more than 6,000 votes at the primaries, a record that no candidate appearing before the voters of Ramsey county for the first time has ever equaled. Mr. Foot is a young man 31 years of age, was educated in the public schools of St. Paul, and has lived in this city during all his life. He is a good business man, an expert accountant, and thoroughly fitted

in every way to take personal charge of the office to which he aspires. He is a nephew of S. B. Foot, senior member of the well-known manufacturing firm of Foot, Schulze & Co., of this city. The office of county treasurer is one of the most important in Ramsey county, and the law requires that any person holding the same shall furnish to the county of Ramsey indemnifying bonds in the sum of \$500,000. No better recommendation as to Mr. Foot's integrity and personal standing in the community can be given than to point to the fact that the St. Paul representatives of two of the leading bonding companies of the United States stand ready to furnish that bond the very instant Mr. Foot qualifies as treasurer of Ramsey county. Vote for him.

HOWARD WHEELER.

Republican Candidate for County Attorney.

Howard Wheeler, the Republican candidate for county attorney, is well and favorably known throughout the county. He was born in St. Paul, and enjoys the distinction of being the youngest man ever elected to the assembly, and of leading his ticket by a large majority on both occasions of his election. While a member of that body he was the leader on the floor, and made an enviable record as an aggressive, honest and capable official. Mr. Wheeler is an able young lawyer and would make an excellent county attorney. Vote for him.

JOHN T. ROSENTHAL.

Republican Candidate for Representative 34th District.

John T. Rosenthal, Republican candidate for representative from the Thirty-fourth district, represents the vigorous young business man in politics. This is the gentleman's first appearance as a political character, and it would appear that he has been very well received by the public. He was born in the district which he seeks to represent, and has lived at his present address, 217 Charles street, for twenty-two years. He is manager of the grocery and meat market at the corner of Marion and Charles streets, owned by his father, Joseph Rosenthal. He graduated from the St. Paul Law College in 1902, and was admitted to the bar. His brother, Frank J., is the well known bass singer. Personally Mr. Rosenthal is a man of very pleasing appearance and address, and will no doubt make a good showing in the coming campaign. Vote for him.

M. W. FITZGERALD.

Republican Candidate for Register of Deeds.

Mr. M. W. Fitzgerald is a candidate for re-election to the office of deeds on the Republican ticket, is being generally supported by voters of both parties. He is the most efficient registers of deeds ever elected to that office in Ramsey county, and in addition to carrying out the work of that office he is also register of titles under the Torrens system. His re-election is one of the certainties of the present campaign. Vote for him.

MICHEL W. FITZGERALD
Republican Candidate for Register of Deeds.
