Lottie Williams in "My Tomboy Girl" at the Grand Next Week.

Lottie Williams, the Venus of stars, will be seen at the Grand for the week starting tomorrow matinee, in Chas. E. Blaney's gigantic spectacular comedy-drama, entitled "My Tomboy Girl." Lottie Williams is unquestionably the greatest acting soubrette today, and, being young and talented to an extraordinary degree, there is no telling where her brilliant attributes will place her. In her play she will have the support of fifty clever players. There is plenty of opportunity in the new play for Miss Williams to show her wonderful versatility, as she plays the double role of Josie, a waif of the New York streets, and Captain Charlie, a young man of interesting personality. The singing in "My Tomboy Girl" is a special feature of the play. In the old plantation scene there are solos and choruses that will reach the hearts of lovers of Southern melodies. Matinees will be given on Sunday, Wednesday and Saturday.

The masquerade party given by the Hamilton Mandolin Club Thursday night at Tschida Hall attracted a large crowd, although there were not very many masks. However the affair was most enjoyable and all had a delightful time.

Jarvis, the healer and savior of soles, 354 Minnesota street, says in one of his street car signs: "I can mend shoes better than I can write," and, if the sign is a fair specimen of his work as a writer, he's right, as he can mend shoes all right if he cannot write all right.

A "Mid-Winter Picnic" in St. Paul, that sounds queer, doesn't it? But there will be one at St. James church Thursday evening, Jan. 30, at 8 p. m., and you can get in "the gate" for only 10 cents. You might find an "affinity" there, too, and have lunch together. Try it.

What do you think? A "Mid-Winter Picnic" will be given by the One More Effort Club at St. James church, Thursday evening, Jan. 30, "Ticket at the Gate" 10 cents. Mrs. Bettie Patterson, chairman. Here, girls and boys, and old folks, too, is the chance for something good. Go and see for yourself.

ANNUAL REPORT

Of St. James A. M. E. Church for the Year 1907.

The largest attendance of the members of St. James at a church conference, in its history, no doubt was present last Tuesday night, when the trustees were elected and the secretary read the annual report for the past year to Dec. 31.

A fine supper was served by the Hasty Pudding Committee and after a social session was enjoyed the pastor called the conference to order, and Bro. Daniel Harding led in a fervent prayer.

In the course of the pastor's annual address he read the following items from his diary. Additions to membership, 69; conversions, 16; came from other denominations, 28; persons baptized, 13; persons withdrawn, 16; left with letter, 5; died, 3; resident members, 291; couples united in marriage, 18; received for services, 869; couple married on the installment plan, 1; couple married but yet in debt for pastor's services, 1; additions to the church in 19 months, 163.

From the printed report of the church clerk the following was noted:

St. James is as prosperous this year as last and will have money enough to meet all running expenses, pay off the mortgage of \$1,300 and bank nearly \$400.

The \$3,344.96 paid in is the result from the splendid system of the church to meet its financial obligations. This total does not include

the money raised by the deaconess and stewardess' boards, nor the Sunday school, which if counted, would run the amount up \$200 and make the grand total over \$3,500. Accepting the \$3,344.96 as reported and accounted for it makes the receipts \$1,100 above that of any other Afro-American church in the state, as some of their year books show. To have seen St. James, less than two years ago, all in strife and warring factions, the object of pity, of scorn and laughter; with prophecies that she would soon go down to death, and then, to see her today leading the Iowa conference in everything and at the head of all the Afro-American churches in the Northwest in money raising and soul saving, may we not ask "What hath God wrought?" St. James is especially proud of its place in the public eye today. Her individual communion service, her vest choir, her pro. and recessional, her stewardesses and deaconesses to the right and left of the altar in beautiful yet modest dress, her trained ushers and altar boys and her pews well supplied with rituals and songs in book form, have given her a conational reputation such as few churches enjoy. In rejoicing in our heritage, let us walk humbly before Him who giveth us peace, lest we become proud and vain.

A REPORT

Of the Progress of the Boys' Culture Club.

The Boys' Culture Club, which is composed of boys from the different churches and Sunday schools of St. Paul and which has for its object to promote a feeling of brotherhood among its members, to teach them the principles of honest and intelligent self-government; to encourage good citizenship among them, also to be directed in physical culture, that they may become strong mental and physical men.

This club was organized a little more than two years ago at the residence of Mr. and Mrs. J. H. Jacobs, who were pleased to have the boys meet with them and since have been ever ready to give a helping hand in any way that they could.

In the summer of 1906 this club organized a base ball team, which played eleven games that season. Of these games they won ten and lost but one.

During the year 1907, the team played fourteen games, winning twelve and losing two. In the fall of 1907 the club organized a foot ball team. This team played eleven games, winning nine and losing two. During the usual time the boys have been well drilled in physical culture by a very competent physical director, in the person of Mr. Geo. Saam, who deserves great credit for his good work.

He is loved by all the boys. Up to October, 1907, the club had been supplied for their gymnasium work by the Y. M. C. A. At this time the boys saw the great need of having a gymnasium outfit of their own and sent out letters asking the good people of St. Paul to contribute what they could to help pay for it, which would cost \$50.

To this amount I desire to thank the good church members and friends, who so willingly contributed as follows:
