Attempted to Wreck Train.

The third attempt within a few

weeks to wreck a Sante Fe train was

made near Pauls Valley Sunday, at

the same point where the previous

attempt was made. Dynamite cart-

ridges had been placed on the track,

which were exploded by the train, put-

ting out all the lights. No clue to

the identity of the guilty parties has

been obtained, though a force of officers is working in the celebrariuod.

#### PENDING BATTLE. ADDRESS ISSUE

Statehood Forces Are Being To People of Twin Territori Thoroughly Organized for Congressional Campaign,

#### BRIGHT PROSPECTS

For Favorable Action By the Senate When the Omnibus Bill Is Called Under Special Order December

Tenth.

The delegates from the three territories, accompanied by large a stirring address made to the delegations, will meet in Wash people of Oklahoma and India logico next week to prepare for Territory by the single stateboo the statebood campaign which will executive committee: be inaugurated in the senate Dec. To the people of Oklahoma an ember tenth. The statehood bill Indian Territory; which has been passed by the house will be made a special order Single Statehood Executive Con in the senate on December 10th mittee of Oklahoms and India and continue until the bill is dis. Territory a third inter territoris

minds of any of the statehood ad The call provides for the selection vocates but that the senate will of 500 delegates from each of th act favorably upon the bill in the twin territories. This apportion energatic campaign that was car, ment gives approximately one deried on at the last session it was egate for every 1,000 persons, a shown that the measure had more the most conservative estimate supp sters in the enta's than had place the combined population : been or dived to it. The delegate. Oxiabons and Indian Territory from the territories were convinced to less than a million people, bail as a result of their convice the respective populations being place the bill would be passed if it were untily equal. The call forther taken up for consideration by the pravides that the delegater h secate. This a-surance was the chosen by mars conventions on o cause of the determinant effort about Saturday, November 29, a made by Senator Quay to press the several county seats in Oklathe bill to a vote in the closing home and in convenient places days of the session. The opposit and halfs at and for all postoffices tion to the measure was sufficient in the Indian Territory. gress now than ever before,

fident that a majority of the sens tors will support the measure, but territories. they are coming prepared to bring fledged members of congress from of the territory of Oklahou s. eighth congress.

mitted as part of Oklahoma, by the advocates of single statehood, but the fight will be a hard one. It is the consensus of opinion

that some remedial measure will be passed to correct the present unsatisfactory political conditions existing at present.
