CURE Sick Headache

CURE Nervous Headache

CURE All kinds of Headache

By these of these Pills the periodic attacks of Nervous or Sick Headache may be prevented; and if taken at the commencement of an attack immediate relief from pain and sickness will be obtained.

They seldom fail in removing the Nausea and Headache which females are so subject.

They act gently upon the bowels—removing Constipation.

For Literary Men, Students, Delicate Females, and all persons of sedentary habits, they are valuable as a Laxative, improving the appetite, giving tone and vigor to the digestive organs, and restoring the natural elasticity and strength of the whole system.

THE CEPHALIC PILLS are the result of a long investigation and carefully conducted experiments, having been in use many years, during which time they have prevented and relieved a vast amount of pain and suffering from Headache, whether originating in the nervous system or from a deranged state of the stomach.

They are entirely vegetable in their composition and may be taken at all times with perfect safety, without making any change of diet, and the absence of any disagreeable taste renders it easy to administer them to children.
