—Counterfeit ten dollar bills are

are said to be very clever imitations.
The bills have a picture of former
President McKinley engraved on them

—The baseball parade put on by J.

accident occurring. Mr. Bullock is
given much credit for his generosity

band and providing all the cars, both
Overland and Chanders that made up
the parade. As a baseball fan, this
act alone places him at the head of
the list.

—The "Burlington" has issued the
information that an innovation in
smoking car equipment will be tried
out on trains Nos. 5 and 12. Instead
of allowing a whole car for "Havana"

part of the coach, and the apartment
will be divided off for the use of pas-
sengers of both sexes. It will be
handy, too, if any of the lady pas-
sengers have a taste for the weed.

WOOLTEX

The Highest Type Tailored Coats and Suits

Men as a rule don't know clothes details, but they do know
the general effect of what you wear.

They do appreciate the smartness—the style—the trimness of
your appearance.

Above all else, the men you know can tell at a glance whether
your coat or suit is good style or not.

The air of quality that is the indefinable attribute of a cus-
tom-tailored suit of the highest type they recognize at a glance.

This is the one—the indefinable but very definite something
you find in a Wooltex coat, suit or skirt.

If it is worth while to dress in a way that will please the men
of your family and your social circle—

In a way that will cause them to comment on the attractive-
ness of your appearance and your good judgment in the selection
of clothes, choose and wear this spring a Wooltex coat, suit or
skirt.

The infinite amount of painstaking work given to each Wool-
tex garment begins with the selection of the most advanced fash-
ions by Mme. Savarie at the Paris Branch of the Wooltex Style
Bureau.

It goes from there with equal strictness of purpose to the se-
lection of desirable and fashionable fabrics.

Then to the choice of linings and interlinings of known
strength and durability.

And then to the hands of the tailors trained to produce only
garments of the highest type.

When you purchase a Wooltex coat, suit or skirt this spring
you will become one of the many well-dressed women who chose
Wooltex coats, suits and skirts each succeeding season.
