Complete unofficial returns from  
every precinct in the county show  
that the republicans gain a state sen-  
ator and state representative, and  
that the republicans will occupy sev-  
eral more county offices than they are  
now doing. O. R. Johnston, republican,  
defeated Curtis M. Hart, the democra-  
tic incumbent, by a plurality of 205.  
John C. Scott of Montrose, republican,  
is elected sheriff over Rogers and  
Elchhorn, progressive, by a plurality  
of 1,266. Edward G. Vaughan was re-  
turned to the office of recorder by a  
plurality of 806. I. H. Hosier was re-  
elected supervisor over Kennedy by  
2 votes, and John De Rosear, who  
takes office January 1, 1916, defeated  
Peter Scheffler, the present incum-  
bent, by 1,026 votes. Walt H. Clem-  
ents defeated Fred Korschgan for cor-  
oner, by 644.

L. W. McManus, for county attor-  
ney, has a plurality of 594, and Meyers  
has a plurality of 119 over Lee Reim-  
bold defeats Maxwell by 215.  
**Sawyer in Good Race.**  
The race which was made by  
Charles F. Sawyer for state repre-  
sentative against F. H. Krebill and J. F.  
Sanders, progressive, was a wonder-  
ful one. Sawyer's plurality is 335. He  
made a good race in Keokuk, and in  
Fort Madison and some of the rural  
districts where Krebill's strongholds  
were cut into his vote in decisive  
fashion.  
Joseph R. Frailley has a plurality of  
1,345. Frailley was opposed by John  
Cruikshank and W. B. Roberts, Cruik-  
shank was conceded by those familiar  
with the situation to be not as strong  
as Krebill, which makes Sawyer's vic-

tory all the more emphatic.

**Kennedy Carries District.**  
Lee county gave Charles A. Kennedy  
a plurality of 520. The estimated plu-  
rality of the congressman from the  
first district is close to 700. Kennedy  
carried every precinct in Keokuk.  
Whitaker, his opponent on the democ-  
ratic ticket, polled 3,069, while Ken-  
nedy's total was 3,619.

This morning's Burlington Hawk-  
Eye gives the following table showing  
the splendid victory achieved by the  
present congressman from the first  
district who is returned again:

Congressman Charles A. Kennedy of the first Iowa district was re-elected to congress yesterday. Complete re- turns are lacking from all the coun- ties. The Des Moines county result is complete with the exception of Jack- son township, the vote from that place being brought to Burlington late last night, after the court house was closed. Indications are that Mr. Kennedy has a plurality over Mr. F. G. Whit- aker by at least 700 plurality, based on conservative estimates, as fol- lows:	
Counties.	Kennedy. Whitaker

Governor and Senator.  
In the vote for governor and sena-

tor, Lee county gave medium plural-  
ties to John T. Hamilton, the democra-  
tic candidate for governor, and Maur-  
ice Connolly, the democratic candi-  
date for senator. The total vote for  
Albert Cummins for senator was 2,  
974. For Maurice Connolly, 3,595. Con-  
nolly's plurality of 621 in Lee county  
has been more than covered in other  
parts of the state, where Cummins  
was returned an easy victor. For go-  
vernor, John T. Hamilton polled 3,944  
while George W. Clarke polled 2,853.  
The total state vote, however, shows  
Governor Clarke has been returned by  
a good majority.

The progressive vote throughout  
Lee county was practically not a drop  
in the bucket. The gains made by the  
republican party and the falling off of  
the progressive vote is gratifying to  
the members of the G. O. P.

**Few Democrats Left.**  
In the county tickets there were a  
number of happenings contrary to  
pre-election dope. John C. Scott ran  
at the head of the county ticket. His  
plurality over Rogers and Elchhorn  
was 1,266. Edward G. Vaughan, re-  
corder, was returned with a good plu-  
rality over Burton and Peoples. John-  
ston's defeat of Curtis M. Hart, the  
present incumbent was by a plurality  
of 205. Fred Korschgan, the present  
coroner, will be succeeded by Walt  
H. Clements, whose plurality was 644.  
A. P. Meyer, E. W. McManus and  
William Reimbold will be the only  
democrats left.

In the supervisor's race, Hosier has  
a narrow margin of two votes which  
may be changed on an official canvass.  
On the other hand Peter Scheffler was  
buried under the avalanche of votes  
for John DeRosear, whose plurality is  
1,026.

**Hamilton and Bank.**  
The results on the non-partisan  
ticket show Judge W. S. Hamilton of  
Fort Madison and Judge Henry Bank  
of Keokuk, the present district judges,  
were returned. Judge Hamilton heads  
the non-partisan ticket, and the real  
fight was between Judge Bank and  
John E. Craig. Judge Bank's home  
ward, the fifth in Keokuk, gave him a  
handsome majority. He had a major-  
ity of 221 over John E. Craig. Judge  
Hamilton polled 3,880 votes. Judge  
Bank's total was 3,034. Craig's vote  
was 2,813, and Herminghausen's, 215.  
The race between Craig and Bank  
was a close one. They ran close in  
Fort Madison. In the country the pre-  
cincts were well divided, and Keokuk  
gave Judge Bank a majority.

**McNamara is Returned.**  
Judge W. L. McNamara is returned  
as judge of the superior court over  
Ralph B. Smith by a majority of 370.  
McNamara ran strong in the second,  
fourth, sixth and seventh precincts  
and cut down Smith's vote in his own  
home ward, the third. Smith made a  
great fight for the judgeship but failed  
to overcome the natural lead of Judge  
McNamara. McNamara's total was  
1,530 and Smith's, 1,160.

**On Supreme Bench.**  
For the judges of the supreme  
court Lee county signified its approval  
of Justices Weaver, Withrow and  
Judge Seth Thomas, a new candidate.  
For Justice Weaver 2,094 votes were  
cast. For Justice Winfield S. With-  
row, who is popular throughout the  
entire county, there was cast a total  
of 2,652 votes. For Judge Thomas,  
2,066 is the total. Justice Ladd re-  
ceived 1,493 votes. Judge Proudy was  
given a vote of 1,902 and Judge Sal-  
linger was accorded a total of 1,870.

**In the Township.**  
Justice James Burrows and Justice  
John Leindecker were returned as  
justices of the peace. The majority  
of Burrows is 679, and that of Lei-  
ndecker is 813. Cortes Maxwell, the  
only democratic candidate for justice  
received a total of 875 votes. Bur-  
rows' total was 1,554 and Leindecker's  
1,688.

For constables Aus Hollowell was  
returned over Peter Wolf by a major-  
ity of 208 and Henry F. Reichman  
was returned over W. J. Miller by a  
majority of 539. Leindecker was high  
man in the vote for justice and Hol-  
lowell ran a little ahead of Reichman  
for constable.

**Ballots are Scratched.**  
The last city ward to come in was  
the first precinct, usually one of the  
first to report. Jefferson was the last  
country precinct to be heard from.  
The returns were delayed somewhat  
by the amount of scratching which  
the judges and clerks declared beat  
other years to a great extent.

**Very Close Race.**  
[United Press Leased Wire Service.]  
CHICAGO, Nov. 3.—The result of

the Sherman-Sullivan contest for U.  
S. senator in Illinois, probably will  
not be known until complete returns  
are in. With 2,002 out of 2,788 pre-  
cincts down state and practically all  
of Cook county heard from at 2:10,  
Sherman's estimated lead over Sulli-  
van was about 1,000.

**TROUBLE IN MEXICO CITY.**  
[United Press Leased Wire Service.]  
WASHINGTON, Nov. 4.—Anti-Amer-  
ican agitation is rife in Mexico City,  
according to reports reaching General  
Funston at Vera Cruz, and transmitted

by him this afternoon to Secretary of  
War Garrison. The report is consid-  
ered serious in view of the fact that  
General Funston bears the reputation  
of not reporting rumors unless he con-  
siders that they come from reputable  
sources.

**SCOTT LOSES OUT.**  
[United Press Leased Wire Service.]  
DES MOINES, Iowa, Nov. 4.—Re-  
turns from one-fifth of the precincts  
in Iowa show that Senator Cummins  
has a plurality over Connolly for Uni-  
ted States senator of 6,000 and Clarke,

republican, for governor, a plurality  
of 5,000 over Hamilton, democrat, in-  
dicating that Cummins will carry the  
state by from 30,000 to 34,000, and  
Clarke by from 25,000 to 30,000. All  
the republican congressmen are elect-  
ed except Scott in the eleventh dis-  
trict where Steele, democrat, appar-  
ently has won by 1,000, carrying  
Woodbury county by 3,000 and also  
Plymouth and Ida, republican strong  
holds.
