READ THIS AND LEARN WHAT DEER LODGE REPUBLICANS THINK BEST

Anaconda, Oct. 25.—The republicans of Deer Lodge county, in convention assembled, renew their allegiance to the principles and policies of the republican party.

It is with sorrowing hearts that we refer to the death of our beloved ex-president, William McKinley. We recognize him as having been one of the country's greatest presidents, and the republican party's greatest leader. Under his splendid administration the country prospered and both his foreign and domestic policy redounded to the glory of the nation and the prosperity of his people. His life is an inspiration to all our people, and his example one to be emulated by all good citizens.

We indorse the administration of President Roosevelt as eminently wise and patriotic, and commend his efforts to follow in the footsteps of his illustrious predecessor.

We point to the fact that the republican party was the first party to indorse the eight-hour law in their platform and helped to place it upon the statute books of this state, and if elected we do hereby reaffirm our unqualified allegiance to its every principle.

Believing that the republican party, both in its national and local administration of affairs, has nobly fulfilled its every promise made to the people, we hereby pledge our representatives in the legislature to the loyal support of the eight-hour law should any attempt be made to repeal it by the democratic party.

Resolved, That we recognize the inefficiency and extravagance of the present democratic county and state administrations, and pledge ourselves and our candidates to the strict performance of their duties, and guarantee a conservative and economic administration with equal rights to all and special privileges to none.

READY FOR GREAT VICTORY ON NOV. 4

REPUBLICANS OF DEER LODGE COUNTY WILL SWEEP EVERYTHING BEFORE THEM.

IT LOOKS GOOD TO THOSE WHO KNOW INSIDE FACTS

Have Been Met Half Way by the Citizens of This County in Their Effort, by Putting the Best Men on the Ticket, to Straighten Matters Out So That Things May Be Run Right.

[SPECIAL TO INTER MOUNTAIN.]

Anaconda, Oct. 25.—With but another week to elapse before election day the republican party in Deer Lodge county have every reason to expect sweeping success at the polls November 4th. The most flattering reports from the different precincts are being received at the republican headquarters every day and the work of the committeemen is meeting with a success, which while not unexpected, is certainly very gratifying to the republican leaders.

It is the firm belief of the vast majority of citizens that the republican ticket will be elected straight. When it is remembered that this county has always heretofore been democratic, the immense gain of the republican party will be seen in a measure. Some of the stanchest democrats admit that it looks bad for their candidates although they will not concede a straight republican victory as yet.

It Looks Good.

When the republicans started out in the present campaign with the strongest ticket ever placed in a campaign in this county, irrespective of party, they hoped for a balance of power. They have been met half way by the people in every direction, and now are almost certain of all the power.

There will probably be at least two republican rallies yet before election. The arrangements are under way but have not yet been completed. The central committee is making an effort to get some excellent speakers to come here and once the final arrangements are made there will be preparations for a hot old time.

JUDGE HAYES GIVES TWO LADS FATHERLY ADVICE

Tells Paddy McGowan and Arthur Murphy How Wicked They Are for Their Ages in Court.

[SPECIAL TO INTER MOUNTAIN.]

Anaconda, Oct. 25.—Two lads, Paddy McGowan and Arthur Murphy, were arrested last night at the instance of Mr. Strain, proprietor of the Strain Department store, in East Park avenue, who accused them of stealing a pair of gloves from his establishment. They appeared in the police court this morning and returned the gloves. Mr. Strain did not wish to prosecute them and they were dismissed with a lecture from Judge Hayes, which they will no doubt remember for some time to come.

Hugh McElroy, colored, who was arrested last night for assaulting an old man on the street, was sentenced this morning to 60 days in the county jail by Police Judge Hayes. McElroy has been giving the police considerable trouble of late. But a few nights ago he created a disturbance on East Park avenue and was thrown in but was dismissed and allowed to go to work on promise of good behavior.

HOW MRS. LANZER WILL BE CALLED TO CARPET

Different Phase Is Put on the Story When the Court Hears the Husband's Side of the Story.

[SPECIAL TO INTER MOUNTAIN.]

Anaconda, Oct. 25.—Nick Lanzer, who was arrested last night at the instigation of his wife, charged with creating a disturbance at their home at the head of Cedar street, appeared in the justice court of Frank Kennedy this morning and told a story which turned the tide in his favor. As a result he was dismissed and Mrs. Lanzer will be required to appear before Judge Kennedy and explain a few matters.

Some time ago, according to Lanzer's story, he married a lady named Anna McGreavy. He says that since their marriage she has influenced him to deed to her all his property, and now that he has done so has turned him out. He thought he would leave the city, and so went home yesterday to get his clothes. Mrs. Lanzer refused to stand for that. She wanted the clothes. Then Mr. Lanzer got mad and tipped over a couple of chairs and his affectionate spouse had him thrown in. He spent the night in the county jail, but when he told the judge how things stood he was dismissed and now Mrs. Lanzer will be summoned into court and ordered to let Nick have his wearing apparel.

WHAT A PITY SHE IS AS SHE IS!

Mrs. Minnie Fitzpatrick Was Once Pretty, Respectable and Popular.

[SPECIAL TO INTER MOUNTAIN.]

Anaconda, Oct. 25.—Mrs. Winnie Fitzpatrick was before Justice of the Peace Quane again yesterday to plead to a charge of drunkenness. The woman was in a wretched condition and was not taken down town to be arraigned, the justice holding court in the county courthouse.

Mrs. Fitzpatrick's case has aroused the sympathy of the officials, who will try to have her cared for so that she will be removed from access to liquor. Her little daughter will also be removed to prevent her coming in contact with the whisky which has brought her mother down from the estate of a pretty and respectable woman to an object of pity, even to the hardened policemen.

Mr. Thompson explained the theory of socialism from Genesis to Revelations before he finished.

When the Police Found This Woman She Was Raising the Roof.

Anaconda, Oct. 25.—Officer John Barkovich arrested Louise Martiniere yesterday and the authorities are holding the woman now to ascertain whether she is suffering from the effects of excessive drink or is insane.

The woman was found in the alley between North Main and Hickory streets by the officer, who was attracted by the frantic screams she sent forth in maudlin terror. She is now at the county jail under medical treatment.

[SPECIAL TO INTER MOUNTAIN.]

Anaconda, Oct. 25.—William C Madge, for a number of years past an employe of the Anaconda Copper Mining company in this city, has resigned his position and will leave next Tuesday for Bruce Mines, Ont., where he has accepted a position as mill superintendent with the Rock Lake Mining company.

TO STUDY OUR METHODS

Alfred Mosely, the English Economist, Will Come to America.

London, Oct. 25.—Alfred Mosely will sail tomorrow for New York by the steamer Cambria to direct the movements of industrial experts whom he is sending to America to complete an investigation of the American methods of work and organization. A few months ago the matter was widely discussed, but it now attracts little attention. There is less excitability on the subject of American and German competition than there was. The British press is no longer alarmist, but is inclined to overrate the benefits of national conservatism in business methods.

JONES RANCH IS TO GO BACK TO UNCLE SAMUEL

Interesting Decision in Litigation of Property Near Dupuyer—Letter From Washington Folks.

[SPECIAL TO INTER MOUNTAIN.]

Great Falls, Oct. 25.—Failure to make proofs in accordance with the law makes the Jones ranch near Dupuyer revert to the government. The ranch was bought a year ago by the Conant Investment company but the commissioners of the land office decided recently to take the land away from the company. An official letter from Binger Hermann, commissioner of the general land office, was received yesterday, which stated that the cash offer to buy the land had been rejected.

The land was taken up as a timber culture by Francis Jones in 1888, but although Jones did considerable work in making his proofs, it has been found that he did not do sufficient work during the various years he was proving up. It was shown in the additional proof furnished by Jones in 1898, that for the first eight years he had the land he cultivated but five and a half acres, while the law required that 10 acres be cultivated.

An offer to pay cash for the land was made in 1900 and after it was denied, the matter was appealed to the secretary of the interior. The decision was affirmed.
