

# Kidney Disease Causes One-third of All Deaths

Statisticians Tell Us That One-Third of All Deaths is Due to Uremic Poison, One-Third to Oedema of the Lungs, and the Balance Principally to Pneumonia, Bronchitis and Heart Failure, but the Real Disease Which Creates Practically All Havoc and Causes Nearly All the Deaths is Bright's Disease. Consumption, Pneumonia, Typhoid Fever, Appendicitis and Heart Failure Are Physical and Organic Troubles, Justly and Rightly to be Dreaded, but the Annual Mortality of All These Together Does Not Equal That of Kidney Disease.

## WARNER'S SAFE CURE CURES ALL KIDNEY TROUBLES

Thousands of Men and Women Have Kidney Disease and Do Not Know It.

**Hon. Jan. 25 Howard, Financial Secretary Royal Templars, State of Illinois, Who Was Given Up by Doctors as Incurable, Was Completely Cured of Diabetes by "Safe Cure."**

HON. JAMES HOWARD.

Dear Sirs: I suffered greatly for seven years with diabetes; was unable to attend to my business or enjoy life, and felt that I had one foot in the grave. I had spent my money with doctors and given up hope, when my attention was called to Warner's Safe Diabetes Cure. I had no faith in anything, but on the urgent request of my wife I bought a bottle and began to take it. I was surprised to find that about ten days after I felt much better and my general health seemed to improve. The dizzy spells which I had been troubled with disappeared quickly, and in three months and a half I was restored to perfect health. I would have been in my grave today had it not been for Warner's Safe Cure and I am certainly very grateful. Yours most respectfully (signed), JAMES HOWARD, 220 South Peoria street, Chicago, Ill.

**Hon. J. C. Petersen Low With Bright's Disease**  
Doctors Tested His Urine and Pronounced It Bright's Disease, But Could Not Help Him.

Warner's Safe Cure completely cured him after everything else had failed. Gentlemen: I always enjoyed good health until five years ago, when I began to notice repeated backache, which kept increasing. I had sharp stitches and my back felt lame and sore. I had my urine examined; the doctor found it highly colored, with considerable brick dust, and pronounced it Bright's disease. I had little faith in his prescriptions and soon changed, taking some greatly advertised kidney cures, but with unsatisfactory results until I used Warner's Safe Cure. Within ten days I felt greatly relieved, the pain gradually decreased and soon disappeared, the urine assumed a natural, healthy color and within four months my health was fully and completely restored.

I have now enjoyed good health for over four years and indorse Warner's Safe Cure as the one infallible remedy for kidney trouble.  
Hon. J. C. PETERSEN, 722 Plymouth Avenue, Minneapolis, Minn.

### Doctors Gave Him Up.

Dear Sirs—I feel it my duty to thank you. Eighteen years ago was suffering from kidney complaint, and for two years was very low. The doctors had given me up unless I went through an operation. At that time I heard of Warner's Safe Cure and immediately stopped all doctors and commenced using your remedy. For the last 15 years have enjoyed perfect health. I advertise it to all sick people I come in contact with, and with a great many it has effected a cure. Very respectfully, JOHN C. PELZER, Denham, Ind., December 14, 1902.

### Perfectly Cured.

Chatanooga, Tenn.—"I have used Warner's Safe Cure for chills caused by uric acid poison in my system and I have been perfectly cured. It has done for me what I have never known any other medicine to do. It cures people in the South who suffer much from malaria, which always affects the kidneys. If all the doctors would prescribe Warner's Safe Cure instead of quinine, for cases of malaria, there would be less bad after effects, as quinine does not remove the disease germs from the system like Warner's Safe Cure. MRS. M. E. DEAN, Treas. Lotus club.

Montana Drug Company, Selling Agents, Butte, Montana.

In view of these facts and of the great importance to the human family, we deem it our duty, regardless of the medicinal authorities and health boards, to sound a timely note of warning to everyone that great care should be taken to see to it that your kidneys are healthy and able to perform their work.

If you have pains in the back, rheumatism, uric acid poison, rheumatic gout, diabetes, Bright's disease, inflammation of the bladder and urinary organs, scalding pains when you urinate, eczema, jaundice, swellings or torpid liver; if a woman, bearing-down sensation, fainting spells, so-called female weakness, painful periods; these symptoms tell you that your kidneys have been diseased for a long time, for kidney diseases seldom put out such symptoms as the victim recognizes until they have been working several months. You should lose no time—get a 50c bottle of Safe Cure at your druggist's. It will relieve you at once and effect a permanent cure. It kills all disease germs.

**Miss Josephine Lane, a Society Leader of Boston, After Five Years' Suffering from Backache and Kidney Trouble, Was Restored to Health by "Warner's Safe Cure."**

MISS JOSEPHINE LANE.

"I suffered for over five years with malaria and kidney trouble—my whole system was impregnated with the poison. It affected my general health, robbing me of energy and vitality, and causing severe headache and backache. The digestive organs were also impaired, so my food seemed tasteless and like lead in my stomach. I passed a dreary existence, and my naturally happy disposition was changed into one of constant irritation and nervous inconsistencies. Warner's Safe Cure was the only remedy ever found which helped me. I began taking it in March, and before the warm weather came I was completely cured; felt like a new woman, full of life and hope.

Words cannot tell how pleased I am to have my health back. I have a keen appetite and enjoy my meals; digestion is perfect. All my aches and pains have left me. I have gained nine pounds in weight and I feel in harmony with all the world because I am now perfectly well."  
Miss JOSEPHINE LANE, 152 Shawmut Avenue, Boston, Mass.

### Could Not Sleep—"Safe Cure" Cured Him.

Dear Sirs: I received yours of the 3d inst. I got your trial bottle of Warner's Safe Cure and used it. Since I have taken two large and two small bottles, which I can gladly say have cured me of kidney trouble, for which I had to be up from two to three times at night; now I can rest without getting up. I had severe pains in kidneys and back, and I have no more pain, and am sure that it was through your Warner's Safe Cure that I now enjoy good health. You are at liberty to use the above statement. I return hearty thanks to you. (Signed), J. F. SAUNDERS, Long Beach, Cal., Dec. 11, 1902.

### Refuse Substitutes and Imitations.

There is no kidney cure "just as good" as Warner's. Insist on the genuine. Substitutes contain dangerous drugs.

Beware of so-called kidney remedies which are full of sediment and of bad odor; they are harmful.

WARNER'S SAFE PILLS move the bowels gently and aid a speedy cure.

## CURSED THE FLAG IN FORECASTLE OF U. S. SHIP

Sailor Is Called Down By Commander and Is Made to Kiss It.

BY ASSOCIATED PRESS. Boston, March 28.—An unusual scene has been enacted on the United States revenue cutter Seminole lying in this harbor. This week one of the seamen, a veteran tar, broke out in the fore-castle in violent abuse of pretty nearly everything. He proceeded in his vituperation without interruption until he called the United States flag a dirty rag and indulged in other unpatriotic sentiments. A quarter-master standing near reported this language to Captain Rogers, commanding the Seminole, and the latter took prompt action. All hands were called to general muster and the captain addressed them on the enormity of the offense committed by one of their number. Then he compelled the culprit to kiss the flag six times and repeat after him an obligation never to speak disrespectfully of it or to allow anyone else to do so in his presence. The name of the offender is not given.

Earthquake in Mexico. Chilpancingo, Mex., March 28.—A sharp earthquake in this city caused much alarm last night, as the people feared another destructive earthquake like that which struck the city some time ago. The shock was very violent.

## JOHN W. GATES WILL RETIRE FROM FIELD

To Quit Stock Market and Devote Himself to Business.

BY ASSOCIATED PRESS. New York, March 28.—The Herald this morning says: It was learned yesterday that John W. Gates intends to retire permanently from active participation in the stock market and that in the future he will devote such of his time as he will spare to business to those concerns in which he is heavily interested. It is not likely that Mr. Gates will sever his connection with the firm of Harris, Gates & Company, in which he is a special partner, but his friends say it is his intention to drop all but pressing business matters. He will act in an advisory capacity in the firm in which his son is a general partner. In the immediate future Mr. Gates will devote most of his time in seeking health and recreation.

## RUSSIA ANXIOUS TO DO RIGHT ABOUT SEALERS

BY ASSOCIATED PRESS. Washington, March 28.—The Russian embassy has issued a communication giving particulars of awards of Professor Asser in the arbitration of the claims of American sealers for the seizure of their vessels by the Russian government about 10 years ago. Professor Asser's decision, which was in favor of the United States, was delivered last November. A communication says the submission of all such matters to an arbitrator proves

conclusively how great a value Russia attaches to the settlement of disputed points of arbitration. Though the particular points concerning the seizure of the American schooner, continues the communication, were connected with the general question of the protection of the sealing industry, Professor Asser's decision acts conclusively with regard to the matter in dispute. Consequently, with regard to the more general questions connected with the matters adjudicated and in the solution of which Russia has always been in perfect agreement with the United States, the Russian government retains its line of action necessary for the further settlement of these questions in conference with the rights and interests of the country.
