**DONORS ARE THANKED FOR FAMINE RELIEF**

Butte's Swedish Colony Gets Warm Letter From Governor of Norrbotten.

**WORK OF THE COMMITTEE IS GIVEN HIGH PRAISE**

Scandinavian Official Compliments American People on Their Generous Response to the Call for Aid When Grim Want Began to Work Havoc Among Residents of the Fatherland.

O. Bergstrom, chairman of the Swedish famine relief committee, has received a formal acknowledgment of the receipt of the fund raised here for the benefit of the starving citizens of Norrbotten.

The committee in Butte worked zealously for several weeks to collect a fund to be sent to the assistance of the poor in that section of Sweden where the famine was most pronounced, and its efforts were rewarded with an unexpected degree of success.

The Swedish colony responded promptly and liberally to the appeal from the mother country, and the governor of the afflicted province has written to thank the donors for their efforts to relieve the starving poor and compliments them on the generous way in which the appeal for aid was met.

The government of Sweden did not feel it would be exactly proper to issue an appeal officially, so it was decided to make a personal request that the Swedish citizens of this country come to the rescue to the fullest extent of their ability.

The committee for the collection of the fund was composed of O. Bergstrom, W. O. Helligren, Oscar Stenberg, E. S. Cook and P. O. Holm.

The letter of thanks was as follows: "Having received the magnificent gift of 5,333 kroner (\$1,520.49) from you in aid of the famishing Norrbottians, I send you my warmest thanks. The generosity of the great American people to Sweden this year has filled us with admiration as well as heartfelt gratitude.

"Yours very respectfully,  
**"KARL J. BERGSTROM,**  
 "Governor of Norrbotten."

**FUR FLIES WHEN CLASSES CLASH**

Seniors and Juniors at State Normal School Indulge in a Difference.

AND EIGHT OF THEM ARE HAULED BEFORE THE BAR

Fined \$2.50 Each, But Sentence Is Suspended During Good Behavior—All Over Caps and Gowns, With Which the Seniors Are Taking the Sweethearts of the Juniors From Them.

SPECIAL TO THE INTER MOUNTAIN.

Dillon, April 20.—"You are fined \$2.50 apiece."

"Mercy, there isn't two-bits in the crowd!"

Judge Vermillion glared sternly down from his bench and the eight Normal school girls arraigned for disorderly conduct stood abashed before his awful honor.

It was their first experience in court and they felt the novelty of the situation. But then, there were neither reporters nor spectators present and so no one could write up the horrid details.

**Judge Imposed Fines.**

"Eight times two-fifty is twenty. But if you have not the price I shall suspend sentence during good behavior," remarked the judge, whereat the young ladies breathed pretty little sighs of relief and the stern minister of the law received such grateful glances as caused his heart to glow within his manly bosom.

It all came about over a college class war, this sudden appearance in Vermillion's court Saturday. The senior and junior girls had a bone to pick. They picked it.

When the dust blew away, torn caps and gowns, to say nothing of hairate appendages, lay strewn over an area of an acre. Some time ago the upperclass girls received their gowns and caps. The figures they made in them set the county clerk to ordering marriage licenses by the gross.

**Girls Grew Jealous.**

The junior girls grew jealous. There were midnight depredations, to say nothing of open scorn and taunts by day.

The spirit of the senior is proud. O, why should the spirit of senior be proud! quoth the junior. Then they went at 'em and tore off the obnoxious tags.

This is one story. Another is that the underclass girls merely pilfered the garments and—most unkindest cut of all—went and had their "pictors took" in 'em.

At any rate, the seniors had a warrant sworn out by Sheriff Gist rounded up an octet and hauled them before the court. They will not have to dig up the two-fifty per, if nothing further happens.

**OUTLAW M'KINNEY SHOT TO DEATH IN BATTLE**

Noted Desperado and a Deputy Sheriff Are Slain in an Encounter in Center of Bakersfield, Cal.

BY ASSOCIATED PRESS.

Bakersfield, Cal., April 20.—The long and exciting pursuit of James McKinney, outlaw, from Kingman, A. T., ended in a battle with the officers of the law within a few blocks of the business center of this town yesterday, two men being killed and one fatally wounded. The dead were JAMES M'KINNEY, outlaw.

WILLIAM E. TIBBETT, deputy sheriff, Thomas J. Packard, city marshal, was fatally wounded. The battle took place in a large two-story brick building on the outskirts of Chinatown, used by the Chinese members of the Sui Ong Tong as a lodging house, opium den and joss house.

Here McKinney had been secreted for two or three days. He had as a companion Al Huber, an ex-convict, who, being a member of a Chinese secret society, was enabled to enlist the aid and sympathy of the Orientals in harboring the outlaw.
