

## WATTERS' SIDE OF IT

HE SAYS O'BRIEN EXCEEDED AUTHORITY IN TEARING PLUMBING OUT OF McKINLEY SCHOOL.

Another version of the trouble between Superintendent of Architecture O'Brien of School District No. 1 and the Butte Plumbing company has been furnished by Mr. Watters, manager of the latter concern.

According to Mr. Watters, for some time he has been engaged in placing the plumbing of the toilet rooms of the McKinley school, and quite recently Mr. O'Brien took occasion to complain of the work being done. He was told that if there was any dereliction of duty on the part of the contractors the matter should be placed before the school board, and if any redress was forthcoming it could be secured through the Butte Plumbing company or its bondsmen. Instead of taking this view of the case, according to Mr. Watters, Mr. O'Brien waited until the work was nearly completed and then had it torn out.

Mr. Watters believes Mr. O'Brien exceeded his authority and proposes to bring the matter before the school board, and if not satisfied will take civil action to recover damages.

## ANITA AND GRACE ARE CHARGED WITH ROBBERY

Women Alleged to Have Stolen \$60 From James Lewis—Beaky Charged With First Degree Assault.

The county attorney filed information of the crime of robbery against Anita Miller and Grace Johnson today in the district court. They will be arraigned tomorrow, when they have secured counsel. The women are charged with robbing James Lewis of \$60, September 25. The information alleges that the defendants took the money by force from the complaining witness.

W. H. Beaky was formally charged in the district court with assault in the first degree. Beaky was arrested some time ago on the charge of assaulting William Smith. It is alleged that during a quarrel with Smith, Beaky bit the former's finger. Since then the finger has been amputated.

The wedding will take place in the near future.

## MISS AGNES MURPHY DEAD

Succumbs to Shock of an Operation Performed for Appendicitis.

Miss Agnes Murphy of 947 Lewisohn street died yesterday as a result of an operation for appendicitis, performed last Friday.

Miss Murphy was 28 years old and was born at Pittsburg, Pa. She lived in Butte about three years.

She leaves four brothers—Thomas C., Michael, Joseph and William L., and three sisters, Ellen and Theresa Murphy, all of Butte, and Mrs. W. H. Hartman of Rimini, Mont.

The funeral will take place Thursday morning at 8:30 o'clock from the family residence, and mass will be celebrated at St. Patrick's church.

## ARTICLES OF INCORPORATION

Green-Campbell Consolidated Gold Mining Company Files Papers.

Articles of incorporation were filed with the county clerk and recorder late yesterday by the Green-Campbell Consolidated Gold Mining company. The business of the company will be to engage in mining and milling.

The capital stock is \$1,000,000, divided into the same number of shares at a par value of \$1, and is non-assessable. The principal place of business is Butte.

The following directors were elected for the first three months: Albert D. Field of Waterbury, Conn.; John McBarrow of Whitehall, Mont.; and Thomas T. Baker, William F. Davis and Edward B. Howell of Butte.

## LOWNEY'S BILL FOR DAMAGES

Con Lowney has presented a claim of \$10,200 to the city of Butte for damages sustained by a fall by reason of a broken plank in the sidewalk on Anaconda road. His shoulder blade was broken.

He claims \$200 for surgical treatment and \$10,000 for his injuries and anguish.

## FINED \$50 EACH AND COSTS

Belle Price and Mary Bevenue were each assessed \$50 and costs in Justice Doran's court this morning for the part they took in the beating up of Frank Gonzalez yesterday.

## A Cheap Sign

Gives the whole business an air of cheapness. We venture to say that many a good customer in search of a good article has been turned from a store door because of the poor sign over it. Strangers depend a great deal on appearances—the store's new customers are made up largely of strangers. Why not attract them by placing a good, easily read sign (such as you can depend on our making for you) over your store door?

## FOR THE STATE FAIR

LOCAL COMMITTEE PREPARES THE MINERAL AND AGRICULTURAL EXHIBITS FOR HELENA.

Eugene Carroll and C. W. Goodale were out to Columbia Gardens yesterday making arrangements for the shipment of the mineral exhibits there to the State Fair at Helena.

The work of packing the minerals has been placed in the hands of Carl Galiger of the Butte Reduction works. The people of Silver Bow county are notified that if they have anything they wish to exhibit at the State Fair to communicate with the board of directors.

Silver Bow county will not only have a mineral and educational exhibit, but an agricultural exhibit in the shape of a few bags of fine potatoes raised at the water company's reservoir. This exhibit is the pride and joy of Eugene Carroll.

The Anaconda Copper Mining company will make a special display of the products of its mines—14 bars of silver bullion, a large stock of copper ingots and a bar of gold bullion. This latter display will in all likelihood be exhibited in one of the bank windows, as to leave it at the fair grounds would require the presence of a guard.

Butte and Anaconda will have a joint day on October 8, when special trains will be run from Butte for \$2 for the round trip.

## JOHN G. BARRON'S PETITION

Allegations Concerning Wife's Unlawful Treatment of Him.

According to the story of John G. Barron, as related in a petition for divorce from Margaret A. Barron, life has not been one sweet dream for him since marriage. The allegations maintain that he has been compelled to run the gauntlet of divers and many weapons, from the busi-

ness end of a sewing machine to a knife.

As a result Mr. Barron claims he almost lost a thumb. The alleged knife assault occurred on February 5 of this year, and the date of the sewing machine presentation was August 5 last, the 5th of the month appearing to be a dangerous period for him.

As a result of the above Mr. Barron requests that the bonds of matrimony, welded on January 2, 1892, be dissolved.

## FIRE IN BEE HIVE BLOCK

A dish towel placed upon the side rail of a gas stove, which almost touched the window sill, became scorched and caught fire in the apartments of Mr. and Mrs. O. W. Pufahl in the Bee Hive block in East Broadway about 6 o'clock last evening.

A woman living next to Pufahl's rooms saw the blaze and rushed in and tore the curtain down. The window casing was burning, but a bucketful of water put out the blaze.

## M'CAULEY DISMISSED

DEPUTY COUNTY ATTORNEY DOES NOT WISH TO TRY THE CASE OF ALLEGED ASSAULT.

John McCauley was adjudged not guilty of assault in the third degree in Justice Libby's court. McCauley was charged with assaulting Constable Thomas Harnan, who had endeavored to serve a writ of attachment.

The defense made was that the papers which Harnan attempted to serve were not made out properly, and that he treated the officer as he would any trespasser.

Deputy County Attorney Coleman moved that the defendant be dismissed.
