For Justices of the Peace. TI BRENCE O'DONNELL For Constables, W. F. HUBER, JOHN QUIRK.

BE DE COCRATS.

John E. Russell, of Massachusetts, is a democrat of heroic mold. Though beaten two years ago for governor by an overwhelming majority he has cheerfully accepted the call of his party to to maintain their party organization and set an example of unselfish devotion ance Mr. Russell struck the keynote of thetic democrats should take right to years! their hearts. He said the prospects of party success in the Bay state were not "This is an off year and we must do the best we can to keep our party in line and uphold our administration. Whatever happens to us we shall meet no such overturn in the state and nation as our opponents encountered four years ago in the first election held in the Harrison administration. We will have make no such losses as they made in flush of prosperity. They were utterly defeated and discredited for what they had done as a party.

"We long ago learned to bear defeat and our opponents know it cannot crush us. Let us then acquit ourselves like men, feeling that in doing our duty we shall honor our cause and make future victory possible."

Let all half-hearted democrats read carefully and consider well these words. Democrats who have been loyal and steadfast to the principles of their party through thirty years of defeat should blush with shame at even the thought of desertion from their standards at this time. The principles of the party to changed; these principles are adequate ple's verdict on Nov. 6 will prove the which they clung in years past have not to meet all the needs of the people now, as ever; all that is necessary for their complete vindication and the ameliora- Great Falls Leader. tion of all the ills to which our country fell beir from some thirty years of republican misrale, is that democrats be tutions." as loyal to their party in power as they Democrat, the Daly news, aper of Missou's. were when it was fighting a scemingly is slightly in opposition to the statements hopeless battle. For thirty years the of Mr. Gibson and of the Great Falls Trirepublican newspapers and crators have bune. reviled and transed members of the truth everywhere, but it does not seem to found a large number open for "convic- Which are bottled at the Home democratic party, charging them with be so with the Anaconda newspapers. Having no Reason, They Are Stlent.

any attempt to discuss the proposition on that line would end in disastrous failure.

This Is Labor's True Friend.

The Aneconda Copper company poses as Montana rather than for Helena, and the labo ing man's friend, but what show before many weeks the Standard will has the laborer in the unequal contest There has been a great deal said by higher estate, to attain independence Anaconda's orators in Great Falls about where it will not be compelled to put in all

> onda names of John R. Toole and A. S. Kempland (both men at that time in the employment of the Anaconda company), representatives from Deer Lodge county, voting against the bill, which was only defeated by a majority of two.

The one question to be settled is this: Helena was trying to pull down Great "Shall the seat of government of Montana lead them again this year in their fight | Falls and knock Cascade county off the | be surrendered to a non-resident corporation which has already bad recorded in the Butte court house a mortgage of \$7,500,000 to the Rothschilds and which at any time may pass completely into the hands of the plan new ways to invest their money in foreign mone; kings?" There should be the campaign and gave utterance to Great Falls and Cascade county. Look no doubt as to the answer. To doubt the sentiments which lukewarm and apa- at it-\$79,286.33 against \$71.81 in six character of the answer is to impeach the honesty and intelligence of the people.

Distract attention from the main issue by ridiculing the odposition; excite passion of the state just how little Anaconda and prejudice by enta ging upon imaginary has done for Great Falls-although to grievaness; treat the public to ansique hear the Anaconda henchmen there and humor and fiv-blown Dakota orators, and elsewhere talk, one would suppose that parade stereoption views of the palaces of foreign princes and potentates-this is the one-half of the town and county. But Anaconda style of campaigning so far, and we do not believe that the voters of Montuna can be misted by such methods.

> Seridem in Russia flourished for two and one-half centuries, and was one of the most iniquitous measures ever countenanced by a civilized country as the older testify to. The laboring men of Montana will never vote for a revival of that custom to be transplanted in this state by depositing their ballots for Anaconda at the coming election.

Miners in Helena's Vicinity,

Marysville Mountaineer. When the Anaconda liars assert that there is no mining in the vicinity of Helens, it is such a distortion of truth that no one believes their other lies, however plausthie. There are more than 2,000 miners working within a radius of fifteen miles of needed to get into the breach though it Helens, and every man of them gets 50 cents a day more than men are paid for

Cuttery and the Double Cross.
