OUR SPECIAL DOLLAR DAY

A Sale Wherein a Dollar Will Have Greater Purchasing Power Than Ever Before

In these days of strenuous opposition to the increased cost of living, a sale of this character comes as a pleasing event, for it proves that all institutions are not of the grasping, grinding kind referred to almost daily in the public print. TO THIS END WE HAVE PLANNED

A Big Dollar Day, Friday, May 6th

when we will offer merchandise of almost every worthy sort at very much less than usual—a sale in which every department in the store is concerned, and in which each particular section will try to outdo the other in the extraordinariness of its dollar bargains.

I like Foley's Kidney Pills so well that I have told many of my friends and comrades about them and shall recommend them at every opportunity. Garden City Drug Co., Geo. Freishelmer, Prop."
