WILL ADMINISTER BAPTISM

DR. BREEDEN WILL PERFORM RITE ON SEVERAL CONVERTS TONIGHT.

The blast from the canyon was stiff and wintry and the people were weary from the strenuousness of the day before, but a fine audience was out to hear Dr. Breeden at the Christian church again last night. The chorus was out in force and the singing under the direction of Gordon Lintt was spirited and satisfying. After the usual service of song Dr. Breeden delivered a strong sermon in answer to the question, "What must I do to be saved?" This sentence is half in the active voice and half in the passive voice. What must I do that I may be? It is God's to save, ours to comply with the conditions of salvation. Man is a moral agent. The plan of salvation recognizes this fact and gives him something to do. Man is a sinner in obedience to his own will. His will must be called into play in becoming a saint. He becomes a sinner by disobedience. He must become a saint by obedience. The scriptures state plainly what a man must do to be saved. He must believe in Christ, forsake sin and obey the commandments of his Lord. Repentence is the manifestation of that degree of faith that makes one willing to fully and unreservedly commit himself to Christ and his cause and contention.

Two persons came in response to the invitation to unite with the church and a number of others signified their purpose to do so ere the meetings close.

Tonight at the close of the service the ordinance of baptism will be administered to a number of converts. The sermon theme will be, "A Dismayed Judge." The music will be of special excellence. A great service is anticipated.

IS IN MISSOULA.

Peter W. Schmidt, who was cook for the forestry service at Avery at the time of the fire, arrived in Missoula yesterday. Mr. Schmidt has been confined in the Wallace hospital for three weeks on account of burns received while making his escape from the fires. He was cook for the ill-fated gang in charge of Ranger Debbitt.

DEAL IS ON FOR THE COEUR D'ALENE STAR

A. H. S. Bird of Salt Lake, a mining specialist in the employ of the McCornick banking firm of that city, arrived here yesterday and later in the evening left with Andrew Jacobson and Charles Martinson, both of this city, for the properties of the Coeur d'Alene Star Mining company, which are located near Eddy, on the main line of the Northern Pacific railway in Sanders county. The coming of Mr. Bird caused the first circulation of a story that there was a sale on for the promising property. The rumor was verified by officers and stockholders of the company last night. It is understood that Mr. Bird goes to inspect the properties and that the assurance has been given that if he finds the conditions as represented and makes such a report that the purchase will be made. The prospective selling price was not given out.

The Coeur d'Alene Star properties have been developed quietly by a number of Missoula men for the past three years. The showing of the last work, where considerable depth has been reached, is said to be very fine and to insure a paying mine.

LAST HOMESTEAD HAS BEEN FILED IN PARK

W. E. Barricklow of Belton has the distinction of being the last man that will file on the territory now covered by the Glacier National park. His homestead covers 145.05 acres in township 36 and is just inside the western boundary of the park, along the North Fork river. His application reached Washington just prior to the passage of the bill creating the new park, and consequently could not be refused.

GO TO HUSON.

E. W. Cook, secretary of the Puget Sound, George W. Korte and Division Engineer Osgood went to Huson yesterday on an inspection trip.

DYSPEPSIA SIMPLY VANISHES

MAKES YOUR OUT-OF-ORDER STOMACH FEEL FINE IN JUST ABOUT FIVE MINUTES.

The question as to how long you are going to continue a sufferer from indigestion, dyspepsia or out-of-order stomach is merely a matter of how soon you begin taking some Diapepsin.

If your stomach is lacking in digestive power, why not help the stomach to do its work, not with drastic drugs, but a re-enforcement of digestive agents, such as are naturally at work in the stomach.

People with weak stomachs should take a little Diapepsin occasionally, and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour rising, gas on stomach or belching of undigested food, headaches, dizziness or sick stomach, and, besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour, out-of-order stomach and dyspepsia are generally relieved in five minutes after taking a little Diapepsin.

Go to your druggist and get a 50-cent case of Pape's Diapepsin now, and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know there are not going to be any more bad nights and miserable days for you. They freshen you and make you feel like life is worth living.

NEW MUSIC SOCIETY ORGANIZED

MISSOULA PEOPLE MEET WITH MRS. WHITAKER AND ELECT THEIR OFFICERS.

At the home of Mrs. Blanche Whitaker, on South Fifth street, last night, a party of musicians met and perfected the organization of the Missoula Philharmonic society, composed of vocalists and instrumentalists. President C. A. Duniway of the Montana university was elected president, Sydney R. Inch, vice president; Miss Lida Hurlburt, secretary; L. C. Pettit, business manager; Mrs. Marian Pettit, vocal director; Gustav Fischer, instrumental director, and A. W. Williams, librarian.

The following committee appointments were made: On constitution, Mrs. C. W. Lombard, Mrs. Blanche Whitaker, and Mr. Inch; program, Mrs. Pettit, Mrs. Price, Mrs. Whitaker, Mrs. Lombard and Mr. Fischer; membership, Mrs. T. A. Price, Mrs. C. H. Cronkrite and William Bailly.

Dr. Duniway gave the society great encouragement. He said that Missoula was considered one of the most musical centers in this section of the west.

The charter members of the society are: F. W. H. Kalor, Mrs. J. H. McGuffey, Miss Della Harding, William Bailly, Miss Lida Hurlburt, Miss Bell Lewis, Miss Grace Gordon, Miss Maud Wilkins, Miss Alice E. Cook, Mr. and Mrs. Sydney R. Inch, T. C. Pettit, Mrs. T. A. Price, Mrs. Retta Craven, Mr. and Mrs. T. W. Seeley, Mrs. R. Gwinn, Dr. and Mrs. W. F. Cook, Dr. J. H. Stoutemeyer, Mrs. Marian Pettit, Mrs. J. E. Powers, Mrs. C. H. Cronkrite, Miss Ethel G. Hughes, Miss Lucy Whitaker, Mrs. H. Gausha, Mrs. E. L. Lombard and Mrs. C. W. Lombard.

The meetings will be held on Wednesday. The first one, tomorrow, will be at the university.

LONE MAN FILED YESTERDAY UPON FLATHEAD HOMESTEAD

There were no names called at the local land office yesterday from the list of eligibles to file on Flathead lands, a day having been dropped to give all concerned a little more time. However there was one filing made by a man who selected last week. Frank A. Cook—he stoutly maintains that is is no relation of Dr. Frederick A. Cook—of Falls City, Neb., filed on 80 acres located as follows: Unit E, south half of the northeast quarter of section 17, township 19 north, range 20 west. Mr. Cook was well satisfied with his selection and stated that many who had the opportunity to file were very foolish to overlook the chance afforded.

The filing will continue today, 100 names to be called.

ELECTION JUDGES ARE NAMED

NEEDED CHANGE ORDERED AT JAIL—COMMISSIONERS GO TO PHILIPSBURG.

The county commissioners held a very busy session yesterday, and besides receiving and reading and placing on file the reports of all of the county officers—regular quarterly reports—much business in connection with the coming county election was considered. New precincts were named and the polling place decided upon.

The commissioners decided that it would be necessary to have the use of all of the upper story of the county jail for the accommodation of women prisoners and minors. An order was accordingly issued instructing the sheriff to vacate these premises not later than January 1, 1911.

An amended plat of the Car Line addition was received, approved and ordered filed.

The commissioners will go to Philipsburg today to let the contract for the bridge to be constructed jointly by Missoula and Granite counties across the Hell Gate river over the county line.

The commissioners ordered the following changes made in election precincts: Precinct No. 24, at Taft, was discontinued and the territory embraced therein reverts to Saltese precinct No. 31. The Carter precinct was also discontinued and the territory embraced is attached to Superior precinct No. 28.

Vacancies Filled.

H. C. Hayes was appointed registry agent to fill the vacancy caused by the resignation of Henry Fox for the district comprising Lothrop, Nine Mile and Stark. William Shields was appointed registry agent to fill the vacancy caused by the resignation of John Olesen for De Borgia and St. Regis. Albert Biers was appointed to the same position to fill the vacancy caused by the resignation of Hunter Bell for Saltese.

New Precincts.

The petition of W. T. Adams and others of Alberton, asking that a voting precinct be established in that district with Alberton as the polling place, was granted, and the boundaries set forth.

A like petition, signed by F. J. Erfert and others of Orchard Homes, making the Hawthorne school the polling place, was also granted.

The board yesterday named the election judges and polling places at the county precincts as follows:

Precinct No. 1—Polling place, Prescott school, W. R. Hamilton, A. L. Duncan, W. R. Smith, Charles Dodge and William Crawford.

Precinct No. 2—Polling place, Central school; George Woodward, F. N. Truesdale, F. D. Whistler, George Likes and Frank Gleason.

OPENING OF COLLEGE POSTPONED ONE WEEK

Owing to the delay in the shipment of some of the school furniture, the date of opening of Mount St. Charles college of Helena has been postponed from Wednesday, Sept. 14, until Thursday, September 22. This unforeseen delay in the opening of the school is regretted by the management, but the public is assured that this will cause no interference in the course. That the superior course of the new Catholic college has been duly appreciated is evidenced by the great number of aplications received far in excess of what was anticipated. The generous response on the part of the people of Montana and neighboring states shows their loyalty to a rising Montana institution, one which promises to be the largest and best equipped of its kind in the northwest. The faculty has been added to since the prospectus was issued, a measure which the unlooked for number of applications urgently demanded. The fact that Bishop Carroll, a man thoroughly experienced in educational work, has the affairs of the college under his immediate supervision, augurs for the school a most successful career.

N. P. HOSPITAL NOTES

George Wall, steward of the hospital, returned yesterday from a visit in Spokane. Mr. Wall went there to look over some fixtures for a jewelry store which will be opened soon on Higgins avenue at the former location of the Quick Lunch restaurant. Mr. Wall is a partner in the concern.

C. L. O'Donnell, assistant roundhouse foreman at Livingston, entered the hospital for an operation for appendicitis.

J. L. James, traveling engineer at Missoula, was admitted to the hospital for medical treatment.

NO CLEW YET FOUND TO ROBBERY

THIEVES WHO TOOK OVER FIFTY-SEVEN THOUSAND DOLLARS NOT CAUGHT.

Seattle, Sept. 12.—The mystery of the theft of $57,500 in gold bullion in transit on the steamship Humboldt from Fairbanks, Alaska, to Seattle, is almost as deep today as before. Indeed, the distance to be searched for the thieves has been enlarged by the addition of the Yukon river between Fairbanks and Dawson. First reports stated that the gold boxes containing $170,000 shipped by the Washington-Alaska bank of Fairbanks to the Dexter Horton National bank of Seattle were opened by the custom officials at Dawson and the gold examined. This is not true, for the Canadian officials merely looked at the express seals to see that they were intact.

The boxes continued up the river to White pass and then were transferred to a train on the White Pass railroad which conveyed them to Skagway, Alaska, where they were taken into the purser's room.

On the arrival of the steamer at Seattle the boxes were sent to the United States assay office where they remained in a vault 24 hours until representatives of the Dexter Horton bank went to the office to open them and check up the bars. The seals were unbroken but the first box contained lead instead of gold.

The prevailing theory among the shipping men and Alaskans is that the robbery was committed on the Yukon steamer, for it seems to have been an exact counterpart of the Bobby Miller robbery in 1906.

Miller, having obtained a position as night watchman on a steamer plying on the Tanana river, procured a quantity of lead shot and one night opened a treasure box that contained $69,000 in gold bars, took out the bars, hid them in his stateroom, put the lead in the box and got the bars ashore at Fairbanks and buried them in the ground.

The storekeeper who sold Miller the shot betrayed him and he was arrested, most of the gold being recovered.

SCORE CARDS WILL BE PUBLISHED AT THE CLOSE

Spokane, Sept. 12.—Ben H. Rice, secretary and manager of the third National Apple show, has issued notices to exhibitors at the Spokane show, November 14 to 19, that the score cards of all commercial exhibits will be published at the close of the show. It is explained that one of the educational features of the exposition is giving the information to each exhibitor of the record made by his display, also to make this data public, so that competitors may see how the exhibits were scored and judged. This plan was adopted at the 1908 show, but was dropped in 1909.

ARIZONA CERTAINLY DEMOCRATIC

MAJORITY OF FIFTY-TWO DELEGATES CLAIMED IN CONSTITUTIONAL CONVENTION.

Phoenix, Ariz., Sept. 12.—On the face of unofficial fugures available at 10 o'clock tonight, the democrats are certain of a majority of the 52 delegates in the constitutional convention. Indications are that they will name all of Maricopa county's nine delegates, all of the five from Gila county and the 10 of Cochise, though in each case republicans express the hope of winning a seat here and there on scratched tickets. The democrats also claim three of Pinal county's five delegates and two out of three in Yuma.

BAD DREAMS

Nightmare, Restlessness and Night-sweats All Caused by Indigestion.

Half of the nervousness in the world, all of the disturbing dreams and nightmares can be ended in a few weks by a simple, inexpensive treatment.

Upset stomach is the cause of nervousness and bad dreams. Your food is lying in your stomach undigested and fermenting; it is forming poisonous gases which irritates the pheumogastric nerve that leads direct from the brain, and ends in a network of tiny branches running through the stomach.

It is also the irritation of this great pheumogastric nerve that causes headaches. Many times people have severe headaches and know they are caused by the stomach, but do not know in what manner.

If you are nervous, have dreams or nightmare, and do not sleep sound at night, get a 50 cent box of Mi-o-na stomach tablets and take one or two after or with meals. They relieve distressed stomach in 5 minutes. Sold by druggists everywhere and by George Freisheimer, special agent, who guarantees them to cure indigestion or money back.

INDEMNITIES RESUMED.

Chicago, Sept. 12.—Members of the Chicago Board of Trade today declared in favor of resuming trade in indemnities so far as is possible in view of the decision of Judge Mack recently holding the former practice to be illegal. The buying and selling of indemnities as proposed, it is said will eliminate the old "put and call" features of the indemnity trading passed on by the court.
