## FORESTERS HOME FROM LONG TRIP IN FIELD

District Forester F. A. Silcox and Assistant Forester Mason have returned from an extended field trip, which took them for a jaunt through the northwestern section of the district. The trip was made primarily for the purpose of inspecting the work at a number of timber-sales areas, where the purchasers are now logging and sawing timber. Mr. Silcox had an interesting meeting with the set-

ters at Columbia Falls when questions of forest service policies, especially those concerning settlement of forest homesteads, and the prices charged by the service for stumpage—which charge some of the people of that section thought was too low and cut the value of private holdings—were discussed.

Hundreds of imitations have come and gone since Foley's Honey and Tar Compound began—40 years ago—to loosen the grip of coughs and colds. You can not get a substitute to do for you what Foley's Honey and Tar Compound will do—for coughs, colds, croup, bronchial affections, la grippe, croup, and tickling throat. Buy it of your druggist and feel safe. Missoula Drug Co.—Adv.
