

Negro Congressmen

Since the abolition of slavery in the United States in 1863, many Negroes have held official positions. Two were United States Senators. Twenty-two Representatives; three, held diplomatic and consular positions; many have been officers in the army, six were Recorders of Deeds in the District of Columbia.

A fine engraving of these Negro Congressmen has just been issued, giving accurate portraits of each; also the Congress in which they served and the years of service. In the picture, the two Senators, Messrs. Revels and Bruce, occupy the center of the group, surrounded by the other eighteen Representatives. In the background, the Stars and Stripes in color. This beautiful engraving, with a booklet containing biographies of these eminent men, is sold for one dollar (\$1.00). This engraving is a graphic political history of the Negro in America. No home, library, office, or school-room will be complete without it. Send for one to-day.

Home, Sweet Home.
The chief reason for leaving home is that one may the better enjoy coming back to it. Home is the place we have so studiously suited to our own needs that it fits us like an outer envelope. In no other house do we feel so absolutely ourselves. — London Truth.

Do the Colored people of this city desire to see a newsy news paper? Will they show that they want one? If you want to make a safe investment that will bring you a nice income see Weaver's list of rooming houses on Page 7.

Receptive Will.
If a man be willing, then any argument shall be matter of encouragement; but if unwilling, then any argument shall be matter of discouragement. — John Bunyan.

India's Irrigated Land.
India has 4,835,947 acres of irrigated land in the Punjab, an increase of 453,561 acres in one year. The crops are mainly wheat, sugar cane, grain and winter oilseeds.

Hint to Housewives.
If you have a solid silver cake dish and no cake for it, don't discard it. Tie a pale mauve ribbon on it and keep it in the kitchen as a receptacle for potato peelings.

Ungallant Suggestion.
"He complains that his wife refuses to listen to him." "He should cultivate the habit of talking in his sleep." — Houston Post.

Unpleasant Truth Tellers.
We wonder why it is that those individuals who boast about telling the truth never have anything very pleasant to say.

Her Heaven.
The fleshy woman's idea of heaven is a place in which she can take off her corset and sit around without looking ungraceful.

Place for a Good Book.
The very best place for a thoroughly good book is in your head and your heart. If it is not worthy of being kept there, it is of little importance where it is kept, or how soon you get rid of it. — From "Books and Reading," in St. Nicholas.

"The Beer that made Milwaukee Jealous"

America's Family Beer ROYAL BREW Brewed From Hops and Malt

THE WESTON ROYAL BREWING CO., Kansas City and Weston, Mo.
Kansas City Office 1912-14 Grand Ave.

Deep down beneath the surface of the old, picturesque and beautiful little city of Weston are the cellars of the Weston Royal Brewery. The great arches of heavy masonry and massive stone walls remind one of ancient times when the old master's one ambition was to brew a healthful beer. Studious Monks and wise Friars were wont to whet their wits and discuss great questions while "enjoying the bowls and bumpers" in cellars like those of the Weston Royal Brewery. "Cleanliness is next to Godliness," is the brewery motto, and is adhered to with religious fidelity. From the choicest hops and well matured malt from which "Royal Brew" is made, to the bottling works, which is equipped with the most modern and sanitary machinery.

\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80

Regular Price \$8.50 per pair. To introduce **we will sell you a Sample Pair for Only (CASH WITH ORDER \$4.80)** NO MORE TROUBLE FROM PUNCTURES.

Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "holding back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "flexible weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rules of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them exactly as represented.

We will make a cash discount of one percent (that's making the price \$4.60 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. We will also send one FREE PUMP, HAND PUMP and two sample metal puncture closers on full paid orders of these metal puncture closers to be used in case of intentional holes caused by heavy traffic. Tires to be returned in full if expense for any reason they are not satisfactory on examination. We are excitedly reliable and money sent to us is safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires you will find that they will ride easier, run faster, wear longer, last longer and look better than any tire you have ever used or seen anywhere. We hope that you will be a well-informed rider when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable offer.

COASTER-BRAKES built-up wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SEND NO MONEY catalogues.

DO NOT WAIT but write us a postal today. **DO NOT THINK OF BUYING** a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.
