VOLTAIC PLASTERS An Electro-Galvanic battery combined with the celebrated medicated porous strengthening plaster, forming

the best plaster for pains and aches in the world of medicine

ELECTRICITY As a grand curative and restorative agent is not equalled by any element or medicine in the his-tory of the healing art. Unless the wital apark has fied the body, restoration by means of electricity is possible. It is the last resort of all physicians and surgeons, and has reward thomasults, apparently dead, from an untimety grave when no other human agency would su occuled. This is the leading curative element in this

BALSAM AND PINE The healing properties of our own fragiant balasm and pine and the guns of the East are loo well known to require description. Their grateful, housing, southing and strengthening properties are well known to thousands. When contined in accordance with late and import discoveries in pharmacy their healing and strengthening properties are increased feedful. In this respect our Plaster is the test in use without the aid of electricity.

TWO IN ONE. Thus combined we have two grand metical agents in one, each of which performs its function and unitedly produce more cores than any liniment, lotion, wash, or plaster ever before compounded in the history of medicine. Try one, Paice 25 Cases.

Sold by all druggests, and sent on receipt of 25 ceals for one, \$1.25 for six, or \$2.25 for twalve carefully wrapped, and warranted, by WEERS & POITER, Pr. prictors, Boston, Mass. 51-5w

AND CONSUMPTION The few compositions, which have won the The few compositions, which have won the confidence of mankind and Lecame household words, among not only one but many nations, must have extraordinary virtues. Perhaps no one ever secured so wide a reputation, or maintained it so long as Aven's Chenary Perronal. It has been known to the public about forty years, by a long continued series of marvellous cares, and have won for it a confidence in its virtues never equalled by any other medicine. It still makes the most effectual curse of

COUGHS, COLDS, CONSUMPTION,

that can be made by medical skill. Indeed, the Current Precional has really robbed these dangerous diseases of their terrors, to a greater tent, and given a feeling of immunity from their fatal effects, that is well founded if the remaily to taken in season. Every family should have it in their closet for the ready and prompt relief of its members. Siokasse, suffering, and escalife is saved by this tauly protection. The product should not neglect it, and the wise will not be season. dent should not neglect it, and the wise will not. Keep it by you for the protection it affords elv use in sudden attacks,

> Dr. J. C. AYER & CO., LOWELL, MASS.
