PROSPECTUS
OF THE
NASHVILLE UNION.

THE NASHVILLE UNION was commenced a few weeks since, for the purpose of opposing the Rebel Southern Confederacy, and of advocating the restoration of Federal authority, without any abatement, over all the States which have attempted to secede. It holds as friends all who support, and as foes all who oppose the Union of the States. It has no watch-word but FREEDOM AND NATIONALITY.

With rebels and traitors it has no compromise to make. It contends for the Federal Constitution and the LAWS made in pursuance thereof as the SUPREME LAW OF THE LAND, anything in the Constitution and Laws of any of the States to the contrary notwithstanding.

It contends for the Union of the States, because without it the preservation of our liberties and institutions and the organization of society itself are wholly impossible. Therefore, whatever stands in the way of crushing out the rebellion and restoring the Union must perish, no matter by what name it be called.

To the people of Tennessee, ever renowned for their devotion to Liberty and Union, until they were betrayed to the rebel despotism at Richmond by a perfidious Governor and corrupt Legislature, and who have felt so heavily the awful curse of treason and anarchy, we appeal for support. Let the names of rebel office-holders, Vigilance Committees, and Minute Men, who have filled our borders with mourning, be gibbetted before the world. Let those ambitious and avaricious men who have plotted our ruin for their own aggrandizement be fastened to the pillory of infamy, no matter how high their position in society. Let it be shown how the self-styled defenders of "Southern Rights" are now leading marauding bands of free-booters and moss-troopers over our State, kidnapping negroes, stealing horses and cattle, breaking into houses, burning railroad bridges and cars, and murdering unarmed citizens in cold blood. Let the truth, so long excluded by the Southern conspirators, now circulate freely through every neighborhood, and our cause will assuredly triumph. Will not loyal men every where aid us in the dissemination of facts and the advocacy of Free Government?

DR KING'S DISPENSARY
FOR PRIVATE DISEASES.

DR. KING, formerly of New York, for the last four years of Louisville, Ky., and who has devoted his attentions to the treatment of private diseases for 20 years, (after himself having attended to a practice for so many years, and cured so many thousands, he is enabled to cure all diseases of a private nature, no matter how long standing or from injudicious medical treatment, or from neglect of their own. Dr. King's Dispensary is No 28 Broderick street, between Cherry and the Square, second story, where he cures all diseases of a private nature.

Gonorhea cured without nauseous medicines or interference with business.

Strictures of old or recent date, effectually cured in a few days, by an operation which causes no pain. Where a stricture exists health cannot be enjoyed. Perhaps no disease causes more mischief and undermines the constitution so much.

Syphilis, with all the diseases of the skin, growing out of neglect or bad treatment, can be effectually cured in a few days.

Seminal Weakness.—Particular attention having been given to this disease, and all the consequences growing out of it, brought on in many cases by the destructive habits of inconsiderate youths, and excessive indulgence of the passions, a neglect of which will undermine the constitution, rendering the subject unfit for business, study, society, and in many premature old age.

Females who may be laboring with any difficulty of the Womb may rest assured immediate relief.

Persons reading abroad, by writing and stating their case, with a fee enclosed, direct to Dr. A. King, No. 28 Broderick street, Nash., Tenn., will have the necessary medicine sent to their address. Office hours 9 o'clock in the morning until 9 in the evening.
