DR. COLEMAN'S
PRIVATE DISPENSARY.

THE attention of citizens, strangers, and others visiting Nashville, requiring medical aid, is respectfully called to this office, No. 21 Deaderick street, second floor, between Cherry and the Square.

Dr. COLEMAN is an old practitioner of medicine; his almost unlimited experience and flattering success for many years past, in the treatment of private diseases, has induced him to devote his undivided attention to all diseases of this nature. Many cases of the most inveterate character have promptly yielded to his improved method of treatment.

Primary, Secondary, Tertiary and Hereditary Syphilis, Gonorrhœa, Gleet and all diseases of the genital and urinary organs, meet with no resistance to his remedies.

All female irregularities and functional lederange ments of the Womb, and the diseases arising from Gestation and ill managed parturition.

Every case of Reducible Rupture, and of Piles, and Prolapsus of the Rectum, and most cases of Fistula, can be cured by a process nearly painless. If other of the latter cases is undertaken by Dr. Coleman, a cure is invariably warranted, as a careful examination always presents the necessary indications of success or failure by his improved method of operating.

Persons of either sex applying in person or by letter (describing case) on the first symptoms of any acute specific disease, can be cured, in most cases, by the abortive method, in forty-eight hours.

Strict confidence, prompt attention, and moderate charges, will govern him with his patrons.

☞ No mercury used in the treatment of venereal diseases, as he believes (in most cases) it produces a worse disease than that it is given to cure.

Office hours from eight in the morning till nine in the evening. jan 15, '62-1y

Notice to Club-Makers.

The Editor will be greatly obliged to persons making up clubs for the UNION if they will remit to the publishers and not to himself. Communications and subscriptions are sometimes mixed, up with private information in such a manner as to cause needless delay and trouble to all parties.

Please Notice.

We have no time to transcribe communications. We sometimes receive communications with a scrap of *confidential* information written on the back of the manuscript. Of course if we use the manuscript we have to re-write it, and this imposes entirely too much labor on us. We have no time for such work.

LAWS OF THE UNITED STATES,

Passed at the Second Session of the Thirty-second Congress.

[PUBLIC—No. 84.]

AN ACT for the collection of direct taxes in insurrectionary districts within the United States, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That when any State or Territory, or in any portion of any State or Territory, by reason of insurrection or rebellion, the civil authority of the Government of the United States is obstructed so that the provisions of the act entitled "An act to provide increased revenue from imports, to pay interest on the public debt, and for other purposes," approved August fifth, eighteen hundred and sixty-one, for assessing, levying, and collecting the direct taxes therein mentioned, cannot be peaceably executed, the said direct taxes, by said act apportioned among the several States and Territories, respectively, shall be apportioned and charged in each State and Territory, or part thereof, wherein the civil authority is thus obstructed, upon all the lands and lots of ground situate therein, respectively, except such as are exempt from taxation by the laws of said State or of the United States, as the said lands or lots of ground were enumerated and valued under the last assessment and valuation thereof made under the authority of said State or Territory previous to the first day of January, anno Domini eighteen hundred and sixty-one; and each and every parcel of the said lands, according to said valuation, is hereby declared to be, by virtue of this act, charged with the payment of so much of the whole tax laid and apportioned by said act upon the State or Territory wherein the same is respectively situate, as shall bear the same direct proportion to the whole amount of direct tax apportioned to said State or Territory as the value of said parcles of land shall respectively bear to the whole valuation of the real estate of said State or Territory according to the said assessment and valuation made under the autority of the same; and in addition thereto a penalty of fifty per centum of said tax shall be charged thereon.

SEC. 2. *And be it further enacted*, That on or before the first day of July next, the President, by his proclamation, shall declare in what States and parts of States said insurrection exists, and thereupon the said several lots or parcels of land shall become charged respectively with their respective portions of said direct tax, and the same together with the penalty shall be a lien thereon, without any other or further proceeding whatever.

SEC. 3. *And be it further enacted*, That it shall be lawful for the owner or owners of said lots or parcels of land, within sixty days after the tax commissioners herein named shall have fixed the amount, to pay the tax thus charged upon the same, respectively, into the treasury of the United States, or to the commissioners herein appointed, and take a certificate thereof, by virtue whereof the said lands shall be discharged from said tax.

SEC. 4. *And be it further enacted*, That the title of, in, and to each and every piece or parcel of land upon which said tax has not been paid as above provided, shall thereupon become forfeited to the United States, and, upon the sale hereinafter provided for, shall vest in the United States or in the purchasers at such sale, in fee simple, free and discharged from all prior liens, encumbrances, right, title, and claim whatsoever.

SEC. 5. *And be it further enacted*, That the President of the United States, by and with the advice and consent of the Senate, may appoint a board of three commissioners for each of said States in which insurrection exists, with a salary of three thousand dollars each per annum, to give security in the sum of fifty thousand dollars each, in such form as the Secretary of the Treasury shall direct, and to be approved by him, for the faithful performance of all their duties as such, and to account for and pay over all moneys and other property coming to their hands: *Provided*, That said commissioners shall not receive pay under the provisions of this act until they shall have entered upon the discharge of their duties.

SEC. 6. *And be it further enacted*, That the said board of tax commissioners shall enter
