Col. John M. Stemmons

Died.

Notice.
We propose to sell the best mattresses ever made in this State at the lowest prices, we defy competition in price or quality.

Personal.
We were pleased to meet in our city yesterday, Mr. Kahn, of Vicksburg, Miss., who has been driven from his old State by the peculiar pressures which prevail there, and has made his arrangements to locate permanently in Dallas.

We take this Occasion
To give notice to our friends that Messrs. S. Loeb & Co. are now in full blast in their new store on Main street, where they are displaying a choice selection of Dry Goods, and selling them at the most reasonable rates.

The Skating Rink
May now be considered an institution in our city permanently established, and should be patronized by all our young folks who are irresistibly inclined to spend their evenings out.

We were
Pleased to see that our very worthy Mayor is sufficiently recovered from the accident lately sustained by him as to be out on his own legs again.

We will put up a Baking Powder for less money and better quality than those brought from the East or North.

Glass of all sizes at Williams & Crowds' Drug Store. New Drugs arriving daily. 39d7t.

The City Court.
Business was somewhat dull at the Mayor's court yesterday morning, there being only five persons before his Honor to answer the charges attached to their names.

The City was
Enlivened yesterday morning by a little melee between two of the employees of the Crutchfield House, in which a few black eyes and a couple of harmless pistol shots were exhibited, for the general delectation.

The Southern Hotel.
Under the management of the enterprising proprietor, who superintends its administration, is one of the biggest successes of the season.
