DALLAS has but one *tax blew*.

A BULL stage went west yesterday.

"POOR old Joe," the lyrical card.

A DASH of rain, yesterday afternoon.

SEVERAL nuns passed northward on the Texas Central, yesterday.

THE court-house will soon be visible above the locust tops.

SOON "pale Luna" will be so weak she can't even raise a "pale."

DISTRICT Attorney Ault took a prairie-flight Fort Worthward, yesterday.

JOHN ROBINSON'S Circus will put in an early appearance. So we are advised.

SOMETHING that has been "going west" ever since the world has been created—the sun.

STANDING horses and wagons on street crossings is getting to be an infernal nuisance.

THE second story of the new Market House is as cool as a refrigerator, or the boot of "her" refusing "Pa."

WORK on the brick buildings, which has been delayed by the supply of brick running short, was resumed again yesterday.

A HEAVY trunk slipped off of a man's shoulder, at the depot, yesterday morning, and mashed two of his toes into a jelly.

WE saw a man rush up Commerce street last night, hotly chased by another, with a pistol in his hand. Couldn't ascertain the sequel.

COLONEL MONTROSE, of the Texas Pacific, with his patriarchal beard, doeth homage at the shrine of the Cosmopolitan.

SATURDAY next the lots in the town of Will's Point, the present terminus of the Texas Pacific, will be sold at auction.

ALL the boys who attended Professor Scales school say, that they can see their way through to mischief, much clearer, since the Scales have fallen from their eyes.

SOME fine milch cows came near being run over at the Elm street crossing of the Texas Central yesterday, by the up passenger train. Care on the part of the engineer, saved them.

IN jumping over a fence, yesterday, in the upper part of the city, an African landed on a garter snake. It bit him, and two gallons of whisky were used to start that nigger on his career again.

THE Dallas man who didn't draw a prize in the Louisville lottery has refused, in the most dramatic manner, to consume his customary amount of molasses, and was observed inditing a love-poem to a clothes-line.

RUBY, the colored Senator, and editor and proprietor of the Galveston Standard, passed through this city, yesterday, on the north bound train. Magnolias were largely in demand on his embarking.

THE Dallas boy who shied a hoop at a cat, and which struck up a waltz between the old gentleman's legs as he was trying to step over a swill pail, has on one part of his breeches a well defined map of a hog wallow prairie. He says his daddy was the engraver.

THE following railroad grandees were at the Crutchfield yesterday: General Western Agent Pringer of the O. and M.; Ticket Agent Hutton, of the B. and O.; General Agent Adkins, of the I. C., and Messrs. Howard and Burch, of the freight department of the M. K. and T.

A Gala Evening.

A re-union of the friends of the "Two Brothers," took place at the elegant private rooms of the latter, last evening. Some appropriate toasts were offered, and happily responded to. All present expressed themselves charmed with the reception and the gaiety of the hour, and parted with many complimentary expressions to the liberality, and courtesy of the gentlemanly proprietors, the Banahan brothers.

THE purchasing committee of the Dallas Hook and Ladder Company, Messrs. Conner, Franks and Schneider, have ordered, and have en route the full equipments for the company. They adopted the celebrated Babcock truck, which is said to be the neatest and most complete in use. The entire outfit will cost about seven hundred dollars, laid down in our city. The company has only about eight hundred dollars on hand, and we hope the citizens, when called on, will contribute to make up the deficiency. Remember the benefit at the Odd Fellows' Hall.

SOME time ago steps were taken to have the postoffice removed to a more central location. After a few spasms the thing collapsed, and no body has heard of it since. The room occupied now for the office is unsuited in many particulars, and twenty-four hours would be all the time necessary to arrange for its removal to a more convenient locality. What say the merchants of Main and Elm streets to an effort towards this consummation?

Life Association of America.

This Company was organized by the leading business men of St. Louis, Missouri, and now ranks among the first Companies of the United States.

We think there can be no better evidence of its popularity than that it has now, a strong department, in all the Southern, Western and Middle States and has advanced eastward to Boston, where there is a fine board; westward to San Francisco, southward to Galveston, and northward to Chicago.

In Texas we have nine districts, and Dallas will make the tenth, and have now invested $191,022 25, mostly gold, all secured by deed of trust on unincumbered real estate, valued at three times that amount. Those who have any doubts on that subject can see the following on the Company's books at the Department Headquarters, Galveston. Amount invested by Life Association of America, in various Texas districts:

District.	Amount loaned.
Austin	$41,350 00
Bryan	9,030 00
Galveston	76,089 14
Indianola	41,850 00
Jefferson	27,500 00
San Antonio	35,195 00
Houston	loaned se
Waco	9,057 81
Total	$191,022 95

In addition to this, we have $30,000 loaned on policies, on plan of Company when first organized.

Dallas District will be comprised of fifteen counties, on the line of the Texas Pacific and Central Railroads, and the nett reserve, all premiums taken in, in these counties, will be invested in Dallas by the Board of Trustees here.

The following officers are to be elected on Thursday evening: President, Vice-President, Secretary, Treasurer, Medical Examiners and Attorney.

Those interested should, therefore, attend and take part in the election. d15d2t

A Secret Among the Pretty Females.

Many beautiful, bright-eyed young ladies who are blessed with many beaus, say the secret of their charms is in the use of Dr. Dromgoole's English Female Bitters.

ENGLISH FEMALE BITTERS, which cures all female complaints, can be had at the drug store.

"Oh! I do like St. Elmo so much, don't you?" says a young lady to a less educated friend. "I never use it," she replied, "I always prefer English Female Bitters." 12ddim
