

Married.
W. Spence, Esq., and Miss Stella White, daughter of Judge Alexander White, were united in marriage at the First Presbyterian Church last evening, Rev. A. D. Smith, D. D., officiating. Mr. Spence is one of our prominent young attorneys, a member of the firm of McCormick & Smith, while the young bride is lavishly endowed with all that goes to adorn young womanhood. The happy couple left for Galveston and other cities for a brief tour.

Many People Refuse to Take Cod Liver Oil
On account of its unpleasant taste this difficulty has been overcome in Scott's Emulsion of Cod Liver Oil with Hypophosphites. It being as palatable as milk, and the most valuable remedy known for the treatment of Consumption, Scrofula and Bronchitis, General Debility, Wasting Diseases of Children, Chronic Coughs and Colds, has caused physicians in all parts of the world to use it. Physicians report our little patients take it with pleasure. Try Scott's Emulsion and be convinced.

A Bold Raid
Has been made on John S. Witwer's Fair stock within the last few days, he having sold four special jobs which he wished to exhibit. A fine carriage to Theo. Nusbaum, an English surrey to Guy Sumpter, a light open road buggy to Charles F. Boland, and a light top city buck board to T. L. Marsalis. These are elegant vehicles, but Mr. Witwer will put in some other nice jobs in place of those sold. His exhibit at the Fair will embrace a nice assortment of wagons, carriages, buggies, etc.

Fine Dogs.
Mr. J. W. Meley has entered his kennel of dogs, ten in number, at the Fair, and claims they are the finest lot in the Southwest. He is in hopes some one will enter the lists against him in competition. The well-known "Carlo" heads the list. He has his beautiful medal with the inscription, "Carlo, the Rescuer." He also says this dog is the champion thief of Dallas. "Fannie" and "Jumbo" are beauties. The latter is a little over months old and weighs eighteen pounds. "Lena," a fine gray-hound, is 7 months old and is 2 feet, 6 inches high. "R. E. Lee," a liver-colored pointer, is valued at \$1500. "Pill" and "Dora," coach dogs, are held at \$100 each. A pair of \$200 Mexican dogs complete the list. Mr. Meley has a lot of fine pups for sale.

Wood and Iron Mantels.
Harry Bros., manufacturers and dealers in stoves, tinware, queensware, etc., have added a splendid line to their business, which is wood and iron mantels of most beautiful designs. Harry Bros. were always noted for being headquarters for heating and cooking stoves, showing one of the handsomest stocks ever exhibited in the South. Their handsome stores, 628 Elm street and 628 Pacific avenue, crowded with house furnishing goods of every description.

Pierce's Little Liver Pills.
The Original
LITTLE
LIVER
PILLS.

Beware of Imitations. Always ask for Dr. Pierce's Pellets, or Little Sugar-Coated Pills.

Being entirely vegetable, they create without disturbance to the system, the necessary action. Put up in glass bottles, hermetically sealed. Always fresh and pure. As a laxative, alternative, or purgative, these little Pellets give the most perfect satisfaction.

SICK HEADACHE.
Bilious Headache, Dizziness, Constipation, Indigestion, Bilious Attacks, and all derangements of the stomach and bowels, are promptly relieved and permanently cured by the use of Dr. Pierce's Purgative Pellets. A explanation of the remedial power of these Pellets over so great a variety of diseases, it may truthfully be said that their action upon the system is universal, not a gland or tissue escaping their sanative influence. Sold by druggists, 25 cents a bottle. Manufactured at the Chemical Laboratory of World's Dispensary Medical Association, Buffalo, N. Y.

\$500 REWARD
is offered by the manufacturer of Dr. Sago's Catarrh Remedy, for a cure of Chronic Nasal Catarrh which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-said symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians. By its mild, soothing, and healing properties, Dr. Sago's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal Headache. Sold by druggists everywhere; 50 cents.

"Untold Agony from Catarrh."
Prof. W. HAUSSER, the famous mesmerist, of Rhodé, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sago's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."
THOMAS J. RUSHING, Esq., 292 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sago's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh.
ELI ROBINSON, Rungan P. O., Columbia Co., Ga., says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sago's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
