Our force of nearly fifty competent salesmen is occupied from morn till night and yet just at this very busy time, without selling at cost or advertising overstocked or bankrupt stock, etc., we have given Positive Orders to every salesman in our house to sell during the next ensuing twenty days every article of Clothing, Hats, and Furnishing Goods at a reduction of Twenty per cent from regular price.

Particularly note our Gent's Furnishing Goods, comprising full lines of Silk and Satin Suspenders, some embroidered and some plain; for hand painting or embroidery at home, prices ranging from 81 to \$1.50, also splendid assortment of fine Suspenders at 25c, 50c and 75c.
