STRONG ENDORSEMENT FROM THOSE WHO KNOW HIM

Farmers, Fishermen, Bankers Manufacturers, Merchants and Working Men Endorse Dr. E. J. Griffin For The State Senate. Read What They Say About Him:

WE, the undersigned Democratic citizens and tax payers of Edenton and Chowan County, personally know Doctor E. J. Griffin, candidate for the State Senate, opposing the present incumbent, Senator Miles W. Ferebee. Dr. Griffin comes from good old Perquimans County stock, lived in Northampton County, coming to Edenton from that county. He is a citizen of whom the people of Edenton and Chowan County feel proud, he having always been foremost in every enterprise looking to the moral, civic, educational, religious and economic advancement of the town, County and State

He has never been active in politics and is a candidate for the State Senate only because some of us have persuaded him that these chaotic times demand a sacrifice upon the part of the highest type of citizenship in filling such responsible political offices.

We endorse Dr. Griffin's candidacy and recommend him to the Democratic voters of our neighboring counties.
