

FOR THE CURE OF
COUGHS, COLDS, ASTHMAS, CON-
SUMPTIONS,
And all disorders of the Breast and Lungs,
Church's Cough Drops

Is a medicine unequalled by any other in the world.
I hereby certify, that I have been cured of a
most severe Cough, Cold, and violent pain in my
breast, by taking only a few doses of Dr. Church's
Cough Drops. CHARLES BEVANS.
Sail Maker, Spruce Street wharf, Philadelphia.

From a London Paper.
To Dr. CHURCH.

Having been recently restored from the brink of
the grave, by your invaluable medicine, I think it
my duty to make this public acknowledgment of
the same, for the benefit of others afflicted with a
similar complaint. I had been afflicted with a most
dreadful asthma for about twenty-three years. I
never for years got any rest, my cough was so
troublesome in the night, and used to discharge an
almost incredible quantity of glutinous matter
from my lungs; and my breath was so exceeding
short that I could not wait across my room. Pro-
videntially hearing of your Cough Drops, I too,
then, and, through taking them alone, I am now
blest by God! restored to perfect health. My
case is well known to the members of the Ebenezer
Chapel, in Lincoln's Inn-Field, of which I am
also a member; and any of them will gladly la-
tency any inquiry concerning the truth of what I
say. I am, Sir, your grateful servant,

Ran away the 25th of Decem-

ber, 1797, a Negro Man, about 5 feet 5 or 6 in-
ches high, of a yellow complexion; when spoke to
and called by his name he has a quick sharp look
out of his eyes and flews the white of them very
much; has taken all his clothes with him, which
are, a new kersey great coat, a grey broad cloth
and close bodied coat, a striped vest, nankeen
breeches, silk stockings and ruffled shirts, and a
number of other clothes. The said Negro under-
stands farming, and is a good shoemaker and car-
penter; he can read and write tolerably well—I
it likely he may forge a pass. Whoever takes up
said negro and secures him, so that I get him, shall
have Thirty Dollars reward, paid by the subscriber,
SUSANNAH MEDFORD, living in Still Pond, Mary-
land, Kent county.

Recently Published,

And just imported from England, by WILLIAM
GRIFFITH, No. 177, South Second Street, and
may be had of MORGAN J. REES,
Cheap and valuable work, in two closely
printed volumes, in 8vo. (price 3 dollars)

Illustrations of Prophecy:

In which are elucidated many predictions, which
occur in Isaiah, Daniel, the writings of the Evan-
gelists, and book of Revelation; which are tho't
to foretell among other great events, a revolution
in France, favorable to the interests of mankind,
the overthrow of the papal power, and of ecclesi-
astical tyranny, the downfall of civil despotism,
and the subsequent restoration of the state of the
world: together with

A large collection of Extracts,

interpersed through the work, and taken from
numerous commentators, particularly from
Joseph Mede, Sir Isaac Newton,
Vitrings, Mr. William Lowth,
Dr. Th. Goodwin, Fleming,
Dr. Henry More, Bengelius,
Dr. John Owen, Daubuz,
Dr. Cressner, Whitby,
Peter Jurieu, Lowman,
Brennis, Bump Newton, and
Bishop Chandler, Bishop Hurd.

By JOSEPH LOMAS TOWERS.

Besides various other inquiries treated of in
this work, and numerous illustrations of prophecy;
it contains a considerable number of facts or ob-
servations on the symbolic language of prophecy,
the authenticity, uses, and obscurity of the apoc-
alyptic, and the genuineness of the Hebrew prop-
hets; on the rapid corruption of christianity in the
fourth century; on the dispersion and restoration
of the Jews, the history of the false Messiahs
who have appeared among them, and the reasons
in support of the conjecture that the Africans are
the descendants of the ten tribes; on the right of
refuge to oppression; on the irruptions of the
northern nations, and the causes of the decline and
fall of the Roman empire; on the customs of the
Tartars, and the independence of the Arabs; on
the conquests of those nations, and those of the
Turks; on the usurpation of the Manalukes, and
the past history and present state of Egypt; on
the character and conduct of Constantine, Justinian,
Closis, and Lewis XIV; on the scarcity of
books in the dark ages, and the causes of the de-
cline of literature; on the rapid rise of the French
monarchy, and the causes of its fall; on the in-
consistencies in the political characters of bishops
Newton and Hurd; on the peculiarities of Dr.
Hurd's history, &c. &c. on the beneficial
effects which christianity has produced in favor of
learning and civil liberty, and its tendency to pro-
mote the establishment of equal governments.

Independent of the large proportion of original
matter contained in these volumes, those who are
interested in the subject will, it is presumed, wish
to peruse or consult them, because the extracts in-
troduced in them, which are accurately cited, and
marked with inverted commas, are taken from a
greater number of writers on the prophecies (as
included) than are easily accessible to any one indi-
vidual even in Europe, or are probably to be found
in any one library in the world. They are fur-
nished with indexes, and a copious table of con-
tents.

Salisbury Estate.

THE Subscriber, proposing to contract his busi-
ness, offers this Estate for sale, on moderate
terms. On it are one Blat and three Air Furnaces,
a complete Boring Machine, and a very good grist
Mill, with two pairs of stones; also a good Forge, all
in perfect repair, as are all the Water Works connec-
ted with these various branches. The Air Furnaces
were lately built for the purpose of casting Cannon
for this State. There are about two thousand acres
of Land, one half of which is under wood, the other
very fine arable Land, producing the best Hay and
Pasture. The Cannon lately manufactured there,
fully proves the excellency of the metal, which is
superior to any in this country, and probably, equal
to any in the world; for not one of sixty-nine guns
lately made, although some of the 24 were bored
into 32 pounders, have failed on proving. The situa-
tion is very eligible, particularly for this branch of
manufacture, and a place of arms lying in the State
of Connecticut, and only miles from several land-
ings on the Hudson's river, and having every advan-
tage that can result from a plenty of water issuing
from a large natural pond, very near the Furnace,
and which may be converted into a variety of other
useful purposes. The purchaser can be accommodat-
ed with all the stock and utensils, and have possession
on or before the first of June next, and preparation
may be made in the meantime. Part will be delivered
in good order, with some coal, Ore, &c. &c. For
terms, apply to Mr. Joseph Anthony, in Philadel-
phia; David Brooks, Esq. one of the Representatives
in Congress for this State; Mr. David Waterman, on
the premises, or to the proprietor in New-York.

J. L. LENZ,
Teacher of Vocal and instrumental Music,
REturns his sincere thanks to the Ladies and
Gentlemen, from whom he received a very
liberal encouragement since his residence in this ci-
ty, and respectfully informs his friends and the pub-
lic generally, that, in consequence of the request
of some of his friends, he has opened a Musical
School at his house in Spruce Street No. 174, where
he will teach on the Piano forte, Violin &c. &c.
He deems it unnecessary to enlarge upon the ad-
vantages the learner will derive from an initi-
on of this kind; he will only say, that attention
and zeal are much excited in an assembly, where
numbers are in pursuit of the same object. His
arrangement is such, that an interference of the
the different sexes will be avoided: Those Ladies
and Gentlemen who cannot make it convenient to
attend at his school, he will wait upon at their
houses. Applications will be thankfully received
at his house, where his terms and further parti-
culars may be known.

War-Office of the United States,

January the 1st, 1798.

WHEREAS frauds have been practised in
obtaining Warrants for Bounty Lands, due
to the Officers and Soldiers of the late Continental
Army, by the production of forged instruments,
To check in future such impositions, it has been
thought advisable; that all persons, having claims
for bounty lands, whether in their own right, as
legal representative, or by virtue of any instrument
or deed of transfer, be required to forward their
respective claims to the War Office, on or before
the first day of January 1799 in order that such
claims may be duly examined, adjusted and deter-
mined upon.

To substantiate such claims, a strict observance of
the rules heretofore issued from the War Office will
be indispensable; and in addition to what is re-
quired by the said rules, the certificate of the acknow-
ledgement of a Deed or Power of Attorney, must
also be forth the place of residence and occupation of
the claimant or person making such acknowlegme-
ment; and when the proof of personal knowledge is
by a witness or witnesses, their place or places of
residence must be set forth in like manner.
